

Checklist 7 - Applications for a Native Vegetation Planning Permit

For all planning applications the following MUST be provided:

- An Application form completed and signed
- A full current copy of Title for the land showing the plan of subdivision
- NVIM report
- Full copy of instrument and transfer if a registered restrictive covenant applies to the land

In addition to the information required above for all planning applications, the following should be provided:

- 3 copies of all plans showing the proposed native vegetation for removal, and proposed offset areas
- Details of native vegetation numbers and species to be removed
- The purpose of the removal of the native vegetation
- Vegetation Offset management plan
- Habitat Hectare assessment
