

## DEMOLISH OR REMOVE A BUILDING

### Complete this form & return it with the building permit application

The following sets out the minimum information that is required to be submitted for a Building Permit application.

It is the applicants' responsibility to supply sufficient information to the Relevant Building Surveyors. The Relevant Building Surveyor is then required to ensure the application contains sufficient information to determine compliance with the Building Act and Regulations. Where the Relevant Building Surveyor is not satisfied that the appropriate information has been provided they cannot issue the building permit and will request further information.

### Have you?

Have you checked with the relevant officers, if you require a **Planning Permit**?

**Note:** where required, a building permit cannot be issued until Planning has been approved.

### REQUIRED DOCUMENTATION:

- Completed application form (Form 1) signed & dated.
- Completed Section 29A Form
- Copy of Certificate of Title.
- Property ownership evidence (copy of contract of sale, Council rates notice)
- (Owner Builders) a Certificate of consent from the Building Practitioners Board to act as an owner builder if the value of work exceeds \$16,000
- (Registered Builders only) A Certificate of Insurance under the Domestic Building Contracts Act for domestic building work exceeding \$16,000 in value, constructed by Registered Building Practitioners

### 3 copies of the following:

- An outline and a description of the building or part of the building to be demolished.
- The volume of the existing building and the volume of the part/s to be demolished.
