Project:
Kaniva Central Activities Area
Streetscape

Prepared for:
Wimmera Mallee Tourism &
West Wimmera Shire Council

Precedents

Date: 28.06.2021

Tree Species

Jacaranda mimosifolia / Jacaranda
Feature / Parklet tree

Ulmus parvifolia / Chinese Elm
Large feature tree

Eucalyptus sideroxylon / Red Ironbark
Infill planting in the centre median of block 3
(Baker Street to Camp Street)

Callistemon 'King's Park Special' / Bottlebrush
Small tree under powerlines in Block 3
(Baker Street to Camp Street)

Garden Bed Planting

Roses - feature plant within median - retained at pedestrian crossings and intersections.

Proposed median planting:
Westringia fruticosa 'Mundi' - a tough and long-flowering groundcover with white flowers.

Proposed median planting - *Lomandra* 'Tanika' - a hardy plant with fine, bright green leaves.

Proposed median planting - *Aloe* 'Mighty Coral' - a contemporary succulent with coral pink flowers in winter.

Mass planting grasses & ground covers at parklets.

Structures

Steel-framed arbour with climbing vine

Green wall - mesh frame with vine

Parklet area with street furniture

Streetscape Features

Flock of sheep sculptures to match existing streetscape art theme.

Electric vehicle charging station

Water Sensitive Urban Design

Tree cell diagram

Tree pit in parking bay

Surfaces / Paving

Existing red brick paving - remove yellow brick edges to modernise

Proposed paving artwork eg. engraved steel plate

Feature pavement option - G2 Paver 'Hearth' by SVC or lightly honed exposed aggregate concrete.

Lighting

Existing heritage light poles

Uplighting to centre median trees in Block 3

Uplighting to windmill

Lighting to proposed sculpture post

Street Furniture

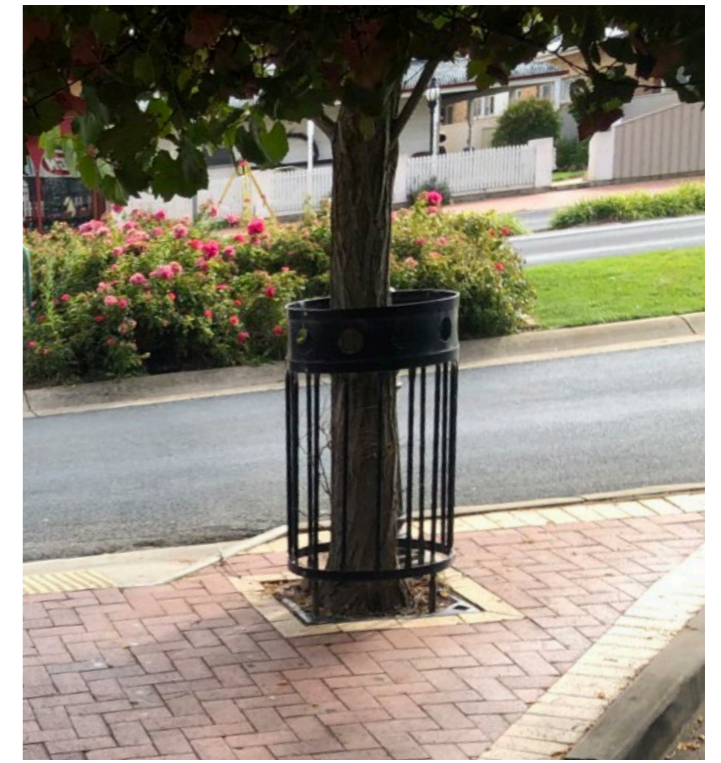

Existing bench seats to be relocated and refurbished including repainting and replacing timber slats

Proposed Pod seating and raised circular benches by Spark Furniture

Existing cast iron bollards to be repainted and relocated. Some new bollards with chain link barrier between.

Existing tree guard

Example of proposed bin with custom laser cut panel

Exmple of removable cafe barrier with sleeve in ground and interchangeable canvas panel. Material types will vary for canvas / steel / glazing.

Streetscape colour palette

• Feature Paving

• Red Brick

• Orange
(Proposed signage and sculpture colour)

• Monument Grey
(Proposed furniture colour)

Sign Material & Colours:

- Perforated steel ribbons, powder-coated / painted steel orange colour.
- 3D steel letters, charcoal colour on front & galvanised finish on sides and back.
- Letters installed on two sides of existing windmill structure.
- Uplight windmill and sign to provide a strong visual identity.

Kaniva Township Identity Sign Concept
West Wimmera Shire Council

Sculpture Material & Colours:

- Spiral cylinder illustrated with agricultural themes including grain, sheep, windmill, wheat, wool fibre and water etc.
- Pic-perf image (custom design perforations)
- Provide uplighting inside

Option 1:

- 2000-2500mm height
- 200mm dia. on top
- 600mm dia. on bottom

Option 2:

- 2000-2500mm height and
- 600mm dia. on top and bottom
