

## In-Kind Labour Form WEST WIMMERA SHIRE COUNCIL

"In-kind" is an activity other than cash money that is contributed towards a project. Many projects are assisted through different groups within the community with support such as voluntary labour.

Where you include in-kind labour in the Project Budget section of your West Wimmera Shire Grant Application you should also submit the this In Kind Labour form as an attachment to your application.

You need to demonstrate the nature of the in-kind contribution being provided, who is making the contribution and how you have calculated the value based on what it would cost if you had to pay money.

Rates are calculated at \$20 per hour.

**Project Name.** \_\_\_\_\_
