

VISION

The vision of the CRG is that the play spaces of Edenhope celebrate the diversity of the community and provide safe places that are accessible and inclusive, that are connected to each other, offer a stimulating and engaging variety of activities, recognise and celebrate the environment, provide a destination that is iconic and are designed for all families

**Revegetation.** Provide alternative treatment and education surrounding the swale from Back Swamp to Lake Wallace. Opportunity to reframe drainage line to be a controlled asset to the park with frog monitoring and frog lifecycle art interpretation with play. Review existing fencing style. Planting to ensure an open woodland habit is achieved to avoid excessive shading of the existing frog habitat. Select vegetation from the local EVC Plains Woodland & Wetlands

**Play Activity.** Play area including climbing frame, play unit with slides and swings with strap seat/toddler seat. Surround play area with a variety of seating and gathering opportunities in natural and artificial shade. Include a frog interpretation of life cycle of the Growling Grass Frog - potential art collaboration

**Gathering.** Provide a variety of opportunities for gathering and observation surrounded by a range of playful activities

**Basketball court.** Provide 2 basketball goals on 1/2 basketball court to support mini games. Reduce height of raised timber sleeper edge and incorporate seating into edge

**Mound Slide.** Incorporate mound slide/ slides for challenging play / iconic and symbolic with terrific views . Provide planting and steps up mound

**Toilets - Option A.** Consider the feasibility of the location of Option A - located with clear views / passive surveillance, carparking opportunities and connection to activities

**Skate Park.** Extend skate park opportunities with additional paved, parkour, steps and slopes

**Carpark.** Formalise the informal carparking opportunities

**Signage.** Link style to streetscape style signage family - provide park name and directional signage to Lake Wallace & other playspaces

**Connection.** Provide sealed connection from Lake St to Elizabeth St

Proposed Streetscape retains existing carparking and provides additional long vehicle parking (2 bays) - both for trucks and caravans

Concrete pedestrian path

**Toilets - Option B.** Consider the feasibility of the location of Option B - located adjacent Lake Street with good potential connection to the Lake Wallace shared trail with a wombat crossing

**Botanic Style.** Reinforce existing vegetation with legacy trees in irrigated lawn for picnicking

Lush existing shrub and tree planting - combination of Cotoneaster, Laurel, Agapanthus, Prunus, Ash and Poplars to be retained and reinforced

**Play Activity.** Opportunity to incorporate double flying fox 30m and senior multidirectional basket swing with seating and adjacent picnic facilities with shelter

**Connection.** Provide pedestrian connection throughout the park

Opening in existing fence to be filled in with fencing to match adjacent fencing

Provide a range of inclusive picnic settings and seats throughout the park including rest areas along main path

Relocate Information Shelter & seat to a suitable location to be determined

Commonwealth Games Melbourne 2006 Fish Sculpture in steel safety fence to be relocated to a suitable location to be determined

**General Note of Amenity.** Provide wayfinding & directional signage, bike racks, water fountains, shelter, artistic elements, theme of the youth, play, frog habitat and botanical
