1	Just be mindful of how many trees and the species of trees.	10/21/2022 10:31 AM
2	Could toilet block be more near play area where small children will play?	10/20/2022 10:07 PM
3	Why such a mean basketball court? You will get wear all around . A full court is much more practical. And a social space with shelter and tables close to the centre of equipment for people of all ages and abilities to belong	10/20/2022 1:28 AM
4	Well done you've taken all the feedback and have presented something the community has asked for.	10/14/2022 9:07 PM
