2. Policy Principles

Council must have regard to the following principles in its disposal of assets:

- · open and effective competition,
- demonstrate Council's accountability and responsibility to ratepayers,
- seek to be fair and equitable to all parties involved,
- seek to ensure probity, accountability and transparency in all disposal processes,
- seek to ensure that the best outcome is achieved for Council,
- · applies to all Council Officers and Councillors,
- Council officers must carry out all phases of the disposal process with impartiality, fairness, independence, openness and integrity,

Council must obtain the best value in the management of public money. This is not restricted to price, but must, where applicable, include consideration of:

- the contribution to Council's Long Term Financial Plan and Strategic Management Plans,
- any relevant direct and indirect benefits to Council,
- · efficiency and effectiveness,
- the costs of various disposal methods,
- internal administration costs,
- risk exposure, and,
- value of any associated social and/or environmental benefits.

3. Disposal Methods

Council may utilise the following methods, where appropriate based upon the principles above, in disposing of an asset;

- Trade-In
- Expression of interest
- Open Tender
- Sale or Public auction
- Demolish/Recycle
- Charity/Gifting
- Land exchange

4. Consultation

Council Policy Manual WEST WIMMERA SHIRE COUNCIL

	The council must undertake certain processes in respect of its proposed disposals of land and/or buildings in accordance with the Local Government Act 2020. Particular requirements are stated within section 114 of that Act including giving public notice of sale, and the requirement for a valuation of the property not more than six months prior to the sale.
