

NOTICE OF MOTION WEST WIMMERA SHIRE COUNCIL

NOTICE OF MOTION No: 2019 / 09
Historic Trail

Preamble: _____

The first cricket team to leave Australia's shores was an aboriginal cricket team mostly from the old Kowree Shire now a part of the West Wimmera Shire. This team mostly from this area trained on the shores of Lake Bringalbert and Lake Wallace and left Australia for England in 1868 from Edenhope. Some of the more famous members of the team were Tarpot famous for running backwards Dick a dick for finding the lost children with a memorial at Duffholme , Johnny mullagh for his allround cricketing skills and Peter from Lake Wallace expert at spear throwing and using a stockwhip.

Efforts were made by the shire in 2002 which ended up with a West Wimmera Walkabout Cricket Trail committee and again in 2015 to properly set out the trail for history purposes and to attract tourists to explore our shire while reading the wonderful history of Australia's first X1.

Past efforts were not followed through. We now have the opportunity via a grant and some shire money to do it properly. It's important this is as factual as possible. There are many locals who can input their knowledge before it is lost.

MOTION:

That 1. West Wimmera Shire Council form
a committee of 7 and council assist
oversee the project with a councillor
as chair and staff to assist. Barngi Gadjin
land council be invited to the committee.
2. That Councillor be appointed
to the committee.

Dear Roger & Nanette,

Re: Tree Removal Application

With reference to your Tree Removal Application to remove the Eucalyptus tree at the corner of David Street and the back lane (at rear of 16 Fry Street) in Kaniva, I wish to advise that the reasons for removal do not fall within the criteria in clause 5.3.1 of the Council's Street Tree Policy.

A copy of Council's tree removal criteria is attached for your information.

Please do not hesitate to call me on 53 927700 if you have any queries.

Yours faithfully,

Bernie Maddern

To the West Wimmera Shire Council,

On the 5/3/2018 we applied for a tree on council property to be removed as it was leaning dangerously towards our property at 16 Fry St. Your reply was that it did not meet council criteria.

We now ask council to reconsider this application as the tree leans 11 metres over our property, and ask that it be removed before it causes major damage to our premises and property improvements.

yours faithfully
Roger Jolly.
