

A large water tower is the central focus of the image. It has a conical metal roof and a cylindrical body. A mural is painted on the side of the tower, featuring a kookaburra perched on a wooden post in the foreground. The background of the mural shows a landscape with rolling hills and a blue sky with clouds. The top of the tower is visible against a clear blue sky with some white clouds.

West Wimmera Shire Council

AGENDA

COUNCIL MEETING

Wednesday 20 August 2025
2:00 pm

Edenhope Council Offices
49 Elizabeth Street, Edenhope Vic

COUNCIL VISION

Our West Wimmera community is healthy, thriving, diverse, harmonious, prosperous, and self-sustaining, with regional and global connectivity.

OUR VALUES

INNOVATIVE – We will proactively respond to change, are optimistic about our future and pursue continuous improvement in everything that we do.

ACCOUNTABLE – We will be responsible, take ownership of our actions and are committed to good governance, excellence, transparency, achievement of goals and advocating for our community

UNITED – We will do everything within our ability to encourage and form trusting relationships, to work together as one team to achieve our goals and advocate for 'One West Wimmera'.

COLLABORATIVE – We will actively and openly consult with you and work constructively with community organisations, agencies, the business community and other levels of government to our community's benefit.

OUR GOALS

Purpose of Council meetings

- (1) Council holds scheduled meetings and, when required, unscheduled meetings to conduct the business of Council.*
- (2) Council is committed to transparency in decision making and, in accordance with the Local Government Act 2020, Council and Delegated Committee meetings are open to the public and the community are able to attend.*
- (3) Meetings will only be closed to members of the public, in accordance with section 66 of the Act, if:*
 - (a) there are clear reasons for particular matters to remain confidential; or*
 - (b) a meeting is required to be closed for security reasons; or*
 - (c) it is necessary to enable the meeting to proceed in an ordinary manner.*
- (4) A meeting closed to the public for the reasons outlined in sub-rule 3(b) or 3(c) will continue to be livestreamed. In the event a livestream is not available:*
 - (a) the meeting may be adjourned; or*
 - (b) a recording of the proceedings may be available on the Council website*

The West Wimmera Shire Council Governance Rules set out the meeting procedure rules for this Council Meeting.

Members of the public are reminded that they are required to remain silent during this meeting, except during Section 5 Questions from the Gallery.

This Council meeting will be recorded for live streaming.

Recording of Meeting and Disclaimer

Please note every Council Meeting (other than items deemed confidential under section 3 (1) of the Local Government Act 2020) is being recorded and streamed live on West Wimmera Shire Council's website in accordance with Council's Governance Rules. Live streaming allows everyone to watch and listen to the meeting in real time, giving you greater access to Council debate and decision making and encouraging openness and transparency. All care is taken to maintain your privacy; however, as a visitor in the public gallery, your presence may be recorded. By remaining in the public gallery, it is understood your consent is given if your image is inadvertently broadcast. Opinions expressed or statements made by individual persons during a meeting are not the opinions or statements of West Wimmera Shire Council. Council therefore accepts no liability for any defamatory remarks that are made during a meeting.

Councillors pledge

As Councillors of West Wimmera Shire Council, we solemnly and sincerely declare and affirm that we will consider each item on this agenda in the best interests of the whole municipal community.

REQUIRED TO ATTEND:

Councillors:

Tim Meyer, Mayor
Jodie Pretlove, Deputy Mayor
Richard Hicks
Helen Hobbs
Tom Houlihan

Executive Leadership Team:

David Bezuidenhout - Chief Executive Officer (CEO)
Dalton Burns – Director Corporate and Community Services (DCCS)
Brendan Pearce - Director Infrastructure Development & Works (DIDW)

1 Welcome

2 Acknowledgement of Country

The West Wimmera Shire Council acknowledges the traditional custodians of the land on which we meet, and pays respect to their elders, past, present and emerging.

3 Opening Prayer

Almighty God, we humbly ask your blessing upon this Council. Guide and prosper our decisions to the advancement of Your Glory and the true welfare of the people of West Wimmera Shire. Amen.

4 Apologies, Leave of Absences, Declaration of Conflict of Interest

4.1 Apologies

4.2 Leave of Absence

4.3 Declaration of Conflict of Interest

All Councillors and Council Staff have a personal responsibility to ensure they are aware of the provisions mandated in the Local Government Act 2020 with regard to Conflict of Interest disclosures.

5 Questions from the Gallery

5.1 Written Questions on Notice

Governance Rules – Division 8 Section 53:

53.4 Questions submitted to Council can be submitted as follows:

53.4.1 In writing, stating the name and address of the person submitting the question and generally be in a form approved or permitted by Council; and

53.4.2 Placed in the receptacle designated for the purpose at the place of the meeting at least two hours prior to the Council meeting, or be lodged electronically at the prescribed email address at least two hours prior to the Council meeting.

53.5 No person may submit more than two questions at any one meeting.

The Question on Notice template is available from the Edenhope and Kaniva Council Offices, and from Council's website.

Written Questions on Notice submitted to Council no later than the deadline of 5:00pm on the Monday in the previous week to the relevant Council Meeting, will be included in the agenda.

Written Questions submitted subsequent to that deadline can be lodged electronically to Katiefrost@westwimmera.vic.gov.au, no later than two hours prior to the Council Meeting.

No questions on notice were received for inclusion in the agenda.

5.2 Verbal Questions without Notice

RECOMMENDATION:

That Council suspend Standing Orders for the purpose of receiving questions without notice from the members of the Gallery.

Time permitting, this section of the Agenda allows members of gallery to ask verbal questions of Councillors, following the removal of standing orders and when prompted by the Mayor (Governance Rules Division 8 S53.4.3)

Members of the Gallery providing verbal questions without notice at a Council Meeting must state their name, to be recorded in the minutes (Governance Rules Division 8 S53.4.4)

No person may submit more than two questions at any one meeting (Governance Rules Division 8 S53.5)

RECOMMENDATION:

That Council resume Standing Orders.

9 Business Arising From Previous Minutes

10 Notices of Motion

There were no Notices of Motion submitted for the agenda.

11 Councillor Forum Record

11.1 Councillor Forum Record Wednesday, 6 August 2025

RECOMMENDATION:

That the Record for the Councillor Forum Record Wednesday, 6 August 2025 be received and noted.

12 Deputations and Petitions

There were no Petitions or Deputations submitted for the agenda.

13 Chief Executive Officer

13.1 Wimmera Southern Mallee Development Membership

Directorate: CEO Office

Report Author: Chief Executive Officer

Report Purpose: For Decision

Purpose

For Council to consider resignation from Wimmera Southern Mallee Development Ltd (WSM Development) to reduce expenditure and remove potential legal hazards and also allow WSM Development to continue its activities in the Wimmera Southern Mallee for the benefit of the region.

OFFICER RECOMMENDATION:

That Council:

- 1. Approve the resignation of West Wimmera Shire Council's membership from Wimmera Southern Mallee Development Ltd following which Cr Tim Meyer will cease to be a director.**
- 2. Authorise the necessary letter of resignation to be completed accordingly.**

Declaration of Interest

No officer declared an interest under the Local Government Act 2020 (LGA 2020) in the preparation of this report.

Background

Wimmera Southern Mallee (WSM) Development aims to guide the region's economic, cultural, social and environmental opportunities and '*works with communities, industries and all levels of governments to enable growth, remove barriers and build resilience and sustainability across the Wimmera Southern Mallee region*'. WSM covers Horsham Rural City and the Buloke, Hindmarsh, West Wimmera and Yarriambiack shires.

The five remaining Municipal Members of Wimmera Southern Mallee Development Ltd (WSM Development) are experiencing budgetary constraints which make continuing financial support for WSM Development difficult.

In addition, there is also increasing divergence between some municipal members' plans for their Councils and the objects of WSM Development, which risks creating legal difficulties for Councils and Council-appointed directors.

WSM Development have provided Council a briefing paper setting out how each Council can disengage from Wimmera Southern Mallee Development Ltd which requires Council to complete a letter of resignation before the next Board Meeting. The Chair of WSM Development has obtained legal advice to assess the current structure of the company and to advise on how this can be changed to enable the five Municipal Members to leave.

The disengagement process involves:

1. Holding a Special General Meeting of WSM Development to approve a revised Constitution which will create a new class of Ordinary Members
2. Immediately following the Special General Meeting, holding a Board meeting at which all independent directors will be appointed as Ordinary Members of the company
3. Immediately following the end of the Board meeting:
 - (a) the five Municipal Members and WSM Development signing a Deed Poll which terminates the Memorandum of Understanding dated 1 December 2021 (MOU)
 - (b) each Municipal Member of WSM Development signing a letter resigning their membership of WSM Development.

Risk Management Implications

Risk identified:

There are no obvious risks for Council to mitigate or eliminate in regard to the proposal considered for funding support in this report.

Change risk

Reputation risk

Legislative Implications

The report complies with the requirements of the:
Local Government Act 2020

Environmental Implications

Not applicable

Financial and Budgetary Implications

The financial risk rating has been assessed as: Low

Policy Implications

This report is supported by the following West Wimmera Shire Council Policy/s:

Not applicable

Council Plan Implications

This report supports the following sections of the West Wimmera Shire Council Plan 2021 – 2025:

Goal 4 – Good Governance

- 4.1 Ensure long term financial sustainability.
- 4.3 Advocate for our community on issues important to our future.
- 4.4 Develop a high performing accountable organisation.

Communication Implications

No Communication Implications

Equal Impact Assessment

No Equal Impact Assessment is required

Conclusion

In order to reduce expenditure and remove potential legal hazards for Councils, it is proposed that the municipal members resign from WSM Development, following which Council-appointed directors will cease to be directors. This will allow WSM Development to continue its activities in the Wimmera Southern Mallee for the benefit of the region.

14 Corporate and Community Services

14.1 Community Engagement Policy

Directorate: Corporate and Community Services

Report Author: Community Development Manager

Report Purpose: For Decision

Purpose

The Community Engagement Policy was adopted by Council in February 2021 and is now due for review.

OFFICER RECOMMENDATION:

That Council adopt the attached Community Engagement Policy.

Declaration of Interest

No officer declared an interest under the Local Government Act 2020 (LGA 2020) in the preparation of this report.

Background

The West Wimmera Shire Council acknowledges that meaningful community involvement is essential to sound governance. Council values the knowledge, experience, and insights of its community members, and recognises their critical role in shaping informed and effective decision-making.

This policy outlines a clear and consistent standard for community engagement, tailored to the significance, complexity, and potential impact of decisions relating to major projects, policies, strategies, and service planning.

The draft policy was made available for public consultation for a period of 28 days. As of the closing date for submissions, no feedback or comments were received from the community.

Risk Management Implications

Risk identified:

There are no obvious risks for Council to mitigate or eliminate regarding the proposal considered in this report.

However, pursuant to the *Local Government Act 2020* Council must adopt and maintain a community engagement policy. The policy must, amongst other things, be developed in consultation with the community and give effect to the community engagement principles listed in the Act.

Section 56 of the Act lists the principles:

- a community engagement process must have a clearly defined objective and scope.
- participants in community engagement must have access to objective, relevant and timely information to inform their participation.
- participants in community engagement must be representative of the people and groups affected by the matter that is the subject of the community engagement.
- participants in community engagement are entitled to reasonable support to enable meaningful and informed engagement.
- participants in community engagement are informed of the ways in which the community engagement process will influence Council decision-making.

Legislative Implications

The report complies with the requirements of the:
Local Government Act 2020

Environmental Implications

Nil

Financial and Budgetary Implications

There are likely to be costs involved in community engagement activities. These will need to be factored into current budgets.

Policy Implications

This report is supported by the following West Wimmera Shire Council Policy/s:

Community Engagement Policy
Communications Policy

Council Plan Implications

This report supports the following sections of the West Wimmera Shire Council Plan 2021 – 2025:

Goal 1 – Liveable & Healthy Community

1.6 Support a prepared and resilient community.

Goal 4 – Good Governance

- 4.2 Engage with the community in a timely and respectful way.
- 4.3 Advocate for our community on issues important to our future.
- 4.4 Develop a high performing accountable organisation.

Goal 5 – Our Commitment Values

Collaboration - We will actively and openly consult with you and work constructively with community organisations, agencies, the business community and other levels of government to our community's benefit.

Communication Implications

No Communication Implications

Equal Impact Assessment

No Equal Impact Assessment is required.

Conclusion

Community engagement is a vital tool for Council to create more effective, inclusive, and transparent policies, actions and projects that reflect the needs and desires of the community.

		stakeholders consider relevant facts from multiple points of view, converse with one another to think critically about options before them and enlarge their perspectives, opinions, and understandings.
	IAP2	The International Association for Public Participation – an international association which seeks to promote and improve the practivepractice of public participation throughout the world. IAP2 provides templates and methodologies based on global practice and research.
	Process	A relationship between key steps, activities, tasks, policies and / or resources.
	Public participation	A term used by IAP2 meaning the involvement of those affected (interested or impacted) by a decision in the decision-making process. We use the term interchangeably with Community Engagement, Stakeholder Engagement or Consultation.
	Stakeholder	An individual or group with a strong interest in the decisions of Council and are directly impacted by their outcomes.
Policy Details		
1.	Principles of community engagement	<p>Council adopts the following principles and commitments which will inform all community engagement processes. These principles are set out in Section 56 of the <i>Local Government Act 2020</i>.</p> <p>Council has built on these principles to describe our commitmentcommitment, which reflects the values and expectations of the West Wimmera community as determined in consultation with the community.</p>

Page 4

Council Policy Manual WEST WIMMERA SHIRE COUNCIL

Principle	Our Commitment
The community engagement process has a clearly defined objective and scope.	<ul style="list-style-type: none"> Community engagement is planned by clearly identifying the purpose, scope, and objectives of the community's participation, in the community engagement plan. We will communicate the reasons for engagement with participants.
Participants in community engagement will have access to objective, relevant and timely information to inform their participation.	<ul style="list-style-type: none"> We will ensure the community has the information necessary to participate meaningfully in the engagement activities. We will endeavour to provide information that is objective, relevant, timely and easy to understand.
Participants in community engagement will be representative of the personspeople and groups affected by the matter.	<ul style="list-style-type: none"> We will identify the people, communities and stakeholders who are affected by and interested in the topic of engagement. We will reach out to our community to involveto get involved and hear from participants that represent the affected and interestedinterested groups.

Council Policy Manual WEST WIMMERA SHIRE COUNCIL

Participants in community engagement are entitled to reasonable support to enable meaningful and informed engagement.

- We will reduce physical, ~~social~~[social](#), and cultural barriers to participation.
- We will consider the needs and perspectives of all groups that may want to be involved in the process.
- We will seek to obtain the views of a broad cross section of the community, especially when there is a quiet majority.
- We will allow sufficient time for ~~review of~~[reviewing](#) information and ~~participation~~[participating](#) in varied engagement activities.

Council Policy Manual WEST WIMMERA SHIRE COUNCIL

	<p>Participants in community engagement are informed of the ways in which the community engagement process will influence Council decision making.</p>	<ul style="list-style-type: none"> We recognise the International Association for Public Participation (IAP2) as the international standard for effective community engagement. We will be guided by IAP2 recommendations. We will inform participants of the level of influence they will have, as described in the IAP2 spectrum-spectrum promise to the public, and we will ensure they know the outcomes of any decisions made.
2.	<p>Level of Community Engagement</p> <p>Council will call for different levels of engagement, having regard to the significance, complexitycomplexity, and anticipated level of impact of what is being proposed, and the stakeholders we need to target.</p> <p>This policy adopts the International Association for Public Participation's (IAP2) <i>Public Participation Spectrum</i> to guide the range and extent of participation at each of the five levels. The five levels of engagement outlined on the IAP2 spectrum shown below will be utilised where appropriate to meet our commitment to the community:</p> <ul style="list-style-type: none"> Inform: To provide the public with balanced and objective information to assist them in understanding the problem, alternatives, opportunitiesopportunities, and/or solutions. Consult: To obtain public feedback on analysis, alternativesalternatives, and/or decisions. Involve: To work directly with the public throughout the process to ensure that public concerns and aspirations are consistently understood and considered. Collaborate: To partner with the public in each aspect of the decision including the development of alternatives and identification of the preferred solution. Empower: To place final decision-making in the hands of the public. <p>The levels of community engagement will be identified on the IAP2 spectrum at the project planning stage following an analysis of the desired outcomes (see Appendix A). The community engagement plan will identify the most appropriate communication tool and timeframes to ensure the particular-targettarget group(s) are well informed of both the issue and the engagement opportunities.</p>	

Council Policy Manual WEST WIMMERA SHIRE COUNCIL

3.	<p>Type of community engagement</p> <p>Community engagement may include multiple levels of public participation, both at different stages of the process and because different stakeholders will choose to engage at different levels. The type or form of engagement practices undertaken can be broadly described as either deliberative or participatory. Many of Council's community engagement projects are likely to include both types of practice.</p> <ul style="list-style-type: none"> • Deliberative engagement <p>Deliberative engagement take<u>takes</u> place at the highest three levels of influence on the IAP2 spectrum, 'Involve', 'Collaborate' or 'Empower'. Deliberative engagement allows for discussion and the possibility of consensus if needed. The key features of a deliberative<u>deliberate</u> process are<u>is</u> to come to a decision after considering all information and prioritising and weighing solutions. By its very name, it requires a level of engagement that is measured, considered<u>considered</u>, and has the involvement of others. Deliberation can be scaled to fit the size and impact of the project. Some projects may require skilled facilitators to ensure a fair and equitable process.</p> <p>Examples of deliberative practices are<u>are</u>.</p> <ul style="list-style-type: none"> ○ working with advisory groups ○ online proposals and ideas are discussed by a panel of community members<u>members</u>. ○ participants are asked to consider and prioritise ideas<u>ideas</u>. ○ where a representative group participates in a series of sessions of information exchange in order to<u>to</u> reach consensus. <p>Projects most suited to a deliberative approach include those where the outcome will have a far- reaching or long-term effect, and issues where there is considerable community concern or division about the alternatives.</p> <ul style="list-style-type: none"> • Participatory Engagement <p>Participatory engagement takes place at the first two levels of influence on the spectrum, 'Inform' and 'Consult' and involve one-way information exchange either from Council to community or community to Council. APPENDIX A

IAP2 SPECTRUM OF PUBLIC PARTICIPATION

IAP2's Spectrum of Public Participation was designed to assist with the selection of the level of participation that [defines](#) the public's role in any public participation process. The Spectrum is used internationally, and it is found in public participation plans around the world.

	Inform	Consult	Involve	Collaborate	Empower
Public participation goal	To provide the public with balanced and objective information to assist them in understanding the problem, alternatives, opportunities and/or solutions.	To obtain public feedback on analysis, alternatives and/or decisions.	To work directly with the public throughout the process to ensure concerns and aspirations are understood and considered.	To partner with the public in each aspect of the decision including the development of alternatives and the identification of a preferred solution.	To place the final decision making in the hands of the public.
Promise to the public	We will keep you informed.	We will keep you informed, listen to and acknowledge concerns and aspirations, and provide feedback on how public input influenced the decision.	We will work with you to ensure that your concerns and aspirations are directly reflected in the alternatives developed and provide feedback on how public input influenced the decision.	We will look to you for advice and innovation in formulating solutions and incorporate your advice and recommendations into the decisions to the maximum extent possible.	We will implement what you decide.

14.2 Sponsorship and Contributions Grant applications

Directorate: Corporate and Community Services

Report Author: Community Development Manager

Report Purpose: For Decision

Purpose

The West Wimmera Shire Council Sponsorship and Contributions Grants provide communities with the opportunity to collaborate with Council to make their locality a better place to live. The Council provides Sponsorships and Contributions to address local needs and provide opportunities to support the community and enhance lifestyles of West Wimmera Shire Council residents. Sponsorship and Contributions may be via application for funds and/or Council in-kind support.

OFFICER RECOMMENDATION:

That Council consider the following Sponsorship and Contributions Grants:

- 1. Edenhope Pastoral and Agricultural Society Inc. \$1,200.00**
- 2. Kaniva Agricultural and Pastoral Society Inc. \$1,200.00**
- 3. Gorokey Agricultural and Pastoral Society Inc. \$1,200.00**

Declaration of Interest

No officer declared an interest under the Local Government Act 2020 (LGA 2020) in the preparation of this report.

Background

The three local show societies (Gorokey, Edenhope and Kaniva) have submitted applications seeking a sponsorship contribution of \$1,200.00 each to assist with the operational costs of their respective annual shows. These shows are consistently well attended, drawing strong support from the local community and attracting visitors to the region, thereby contributing to both social cohesion and local tourism.

In light of ongoing cost-of-living pressures, these events offer a welcome reprieve for community members, providing entertainment, connection, and a sense of celebration. The shows are organised by dedicated volunteer committees who work tirelessly under challenging economic conditions to deliver high-quality programs tailored to the unique

character of each event.

While Council's financial contribution represents a modest portion of the overall cost to stage these shows, it plays a vital role in ensuring their continued viability. The support enables these cherished community events to persist and thrive, reinforcing Council's commitment to community wellbeing and regional vitality.

Risk Management Implications

Risk identified: There are no obvious risks for Council to mitigate or eliminate regarding the proposal considered for funding support in this report.

Legislative Implications

Not Applicable

Environmental Implications

Nil

Financial and Budgetary Implications

The financial risk rating has been assessed as: Low

Policy Implications

This report is supported by the following West Wimmera Shire Council Policy/s:

Council Grants Policy

Council Plan Implications

This report supports the following sections of the West Wimmera Shire Council Plan 2021 – 2025:

Goal 1 – Liveable & Healthy Community

1.1 Create a healthy, active, and vibrant community.

1.5 Support and encourage our events, cultural and arts communities.

Communication Implications

No Communication Implications

Gender Equality

No Equal Impact Assessment is required

Conclusion

These applications for the Sponsorship and Contributions Grants have been assessed by officers and are eligible for determination by Council.

14.3 Interim Financial Report for Q4 ending 30 June 2025 including Annual Plan Update

Directorate: Corporate and Community Services

Report Author: Chief Financial Officer

Report Purpose: For Decision

Purpose

The purpose of this report is to provide Council with the Interim Financial Report for Q4 2024/2025 including the Annual Plan update.

OFFICER RECOMMENDATION:

That Council receives and notes the Financial Report for Q4 2024/2025 including the Annual Plan update.

Declaration of Interest

No officer declared an interest under the *Local Government Act 2020* (LGA 2020) in the preparation of this report.

Background

Council passed a revised budget at an Unscheduled Council Meeting held 28 March 2025. The finance report ending 30 June 2025 has been reported against the revised budget.

Council's financial performance for the period 1 July 2024 to 30 June 2025 is currently favorable to the revised budget by \$687K because of several timing variations.

Comprehensive financial data is attached to this report, namely:

- Interim Profit and Loss Statement for the 12 months ended 30 June 2025
- Interim Balance Sheet as at 30 June 2025
- Interim Statement of Cash Flows for the 12 months ended 30 June 2025
- Interim Capital Works report for the period to 30 June 2025

Observations are made below in relation to these statements:

Interim Profit and Loss Statement for the twelve months ended 30 June 2025

Total Operating Income was within 3% of the budget for 1 July 2024 to 30 June 2025, with higher-than-expected other income. Financial Assistance Grants for the 2026 year, received in June (about \$4M), has not been recognised in the 2025 FY Profit and Loss it has now been

confirmed that it will be required to be reported in the 2025 financial statements. A year end adjustment to record this receipt as revenue will be required.

Net gain on disposal of assets is well above budget for the period due to the written down value of assets disposed of continuing to be held on balance sheet until year end reconciliation of fixed assets is undertaken. This adjustment will reduce the gain to approximately breakeven levels.

Commonwealth capital grants are tracking below budget primarily due to the timing of capital grant payments for Roads to Recovery and LRCIP. Several grant acquittals payments remain outstanding and are still waiting to be settled.

Total Operating Expenses are tracking within 2% of budget. Both Employee Costs and Material and Services are currently reporting favourable to budget. Officers will work with auditors to calculate employee costs accrual to record provision for year end employee costs outstanding as at 30 June 2025. It is anticipated that we will accrue approximately \$300K.

Work in Progress (WIP) is not included in Property Plant and Equipment in the Balance Sheet because these items are capitalised at the end of the financial year.

Balance Sheet as at 31 March 2025

Net Assets have reported decreased by approximately \$10M to \$258M when compared to the close of FY2024. This decrease was due to a decrease in property plant and equipment resulting from the recording of depreciation of fixed assets. Further, as mentioned above, WIP assets have not been recorded in the Balance sheet at this stage and will increase recorded net assets by \$7.125M. Council drew down on the loan from TCV during June 2025 to the extent of \$2M. The borrowing was drawn because of unknown timing of FAGS payments and strengthen working capital.

Statement of Cash Flows for the 9 months ended 31 March 2025

The Opening Cash and cash equivalents amount of \$8,043,264 at 1 July 2024 was lower than the budgeted forecast due to non-receipt of Financial Assistance Grant funding before 1 July 2024. The budgeted cash forecast was based on the assumption that this funding would be received by Council in FY2024.

Overall cash remains steady for the year to 30 June 2025 however we have received approximately \$4M in FAGS ahead of the 2026 financial year and only reported a favourable cash movement for 2025 financial year of \$2.8M.

Capital works for the period to 30 June 2025

The Capital works program as of 30 June is \$1.2M under budget with a small number of projects continuing into the 2026 FY. Six road projects are continuing into the next financial year along with the Edenhope Aerodrome upgrade. The capital program will come in under budget resulting from the deferring of projects and plant and fleet replacements.

Risk Management Implications

Financial: The timing of grant funding payments to Council resulted in its cash position being less than originally forecasted. These timing considerations, the broader constriction in the general availability of grant funding, seasonal implications for capital works and the related capitalisation of operational expenses, and the severely depleted rates base, necessitate careful scrutiny and the conservative and prudent management of all current and future expenditure.

Legislative Implications

Not Applicable

Environmental Implications

Not applicable

Financial and Budgetary Implications

Reported as per revised budget.

Policy Implications

This report is supported by the following West Wimmera Shire Council Policy/s:

Not applicable

Council Plan Implications

This report supports the following sections of the West Wimmera Shire Council Plan 2021 – 2025:

Goal 4 – Good Governance

- 4.1 Ensure long term financial sustainability.
- 4.4 Develop a high performing accountable organisation.
- 4.5 Maintain a rigorous risk management framework.

Communication Implications

No Communication Implications

Equal Impact Assessment

No Equal Impact Assessment is required

Conclusion

In summary, the interim financial reports for the year ended 30 June 2025 reflect a generally stable fiscal position, with operating income and expenses tracking closely to budgetary expectations despite certain timing variances in grant funding. The capital works program remains under budget, with some projects carrying forward to the next financial year, and the Council's net assets are expected to increase upon capitalization of work in progress. The prudent and timely management of funds, considering external funding constraints and seasonal uncertainties, remains essential for maintaining long-term financial sustainability. Alignment with the Council Plan's good governance objectives ensures ongoing commitment to transparency, accountability, and rigorous risk management moving forward.

Total Work in Progress	7,125,098	0	7,125,098	0%	0	

Notes

- Community contributions have been carried over to the 2026 FY as works continue of projects, particularly Edenhope Rec Reserve.
- Awaiting audit confirmation however FAGS payments received in June 2025 for the 2026 year will likely have to be recognised by during audit. Total received \$3.956M (50% of the forecast 2026 funding allocation).
- Additional revenue received from Little Desert fires and Department of Transport for works completed on VicRoads infrastructure
- Year end reconciliations and adjustments required to be journals. Written down value of disposed of assets to be removed from this value.
- We are yet to received confirmation of roughly \$870k from the finalisation of LRCL funding acquittals/audits recently performed.
- Still require finalisation of year end payroll journals as part of year end audit approx. \$300K to be accrued into 2025 FY.

14.4 Primary Producer Support Payments Program

Directorate: Corporate and Community Services
Report Author: Director Corporate and Community Services
Report Purpose: For Decision

Purpose

The purpose of this report is to inform Council of the details of the Primary Producer Support Payment Program (PPSP) in order for Council to make a decision regarding the granting of a 40% rate reduction for primary producers.

OFFICER RECOMMENDATION:

That Council resolves:

- 1. To grant a 40% rate reduction in accordance with the Primary Producer Support Payment Program, apportioned per the eligible farm/rural properties.**
- 2. Properties be deemed eligible if the recorded physical property postcode (per the Valuer Generals register) is one of 3312, 3317, 3318, or 3319 and the land AVPCC of primary production.**

Declaration of Interest

No officer declared an interest under the Local Government Act 2020 (LGA 2020) in the preparation of this report.

Background

The Premier of Victoria, the Hon Jacinta Allan MP announced on 4 July 2025 to provide funding of \$35.8 million to select southwest Victorian drought affected councils through the PPSP part of the Victorian Government's Drought Support Package.

The Department of Government Services (DGS) have informed Council that the funding is available only with respect to drought affected properties within the following postcodes and applies to general rates and municipal charges only;

Declared Postcodes			
3312	3317	3318	3319
Chetwynd	Harrow	Charam	Apsley
Dergholm		Connewirricoo	Benayeo
Dorodong		Edenhope	Bringalbert
Poolaijelo		Kadnook	
Powers Creek		Langkoop	
		Patyah	
		Ullswater	

Total rate revenue for these rural assessments is comprised of the following;

- Total number of rural assessments – 1326
- General rate revenue - \$2,783,052.34
- Municipal Charge revenue - \$92,664.00

The rate revenue for these properties totals \$2,875,716.34.

It is Councils decision to determine the most appropriate allocation of this funding. Council must determine either;

1. a 40% rate reduction on farm/rural properties across the board
OR
2. an alternative approach with supporting rationale.

This is not a rebate or rate deduction, it is a support payment made towards the rates.

Unofficial correspondence from the Department of Government Services indicates that WWSC are anticipated to receive \$1,150,286 for the eligible properties.

Risk Management Implications

Risk identified: Regulatory risk
Strategic risk

Legislative Implications

The report complies with the requirements of the:
Local Government Act 2020

Environmental Implications

Not applicable

Financial and Budgetary Implications

The financial risk rating has been assessed as: Low

Policy Implications

This report is supported by the following West Wimmera Shire Council Policy/s:

Not applicable

Council Plan Implications

Not applicable

Goal 4 – Good Governance

Communication Implications

Not applicable

Equal Impact Assessment

No Equal Impact Assessment is required

Conclusion

The Victorian Government is providing funding to assist certain drought affected primary producers to pay their rates. Under the Primary Producer Support Payment Program Council is required to make the decision regarding the allocation of this funding amongst affected primary producer ratepayers.

14.5 Audit and Risk Committee Meeting Minutes

Directorate: Corporate and Community Services

Report Author: Governance Manager

Report Purpose: For Decision

Purpose

This report presents Council with the draft minutes of the Audit and Risk Committee Meeting held 10 June 2025.

OFFICER RECOMMENDATION:

That Council receives the draft minutes of the Audit and Risk Committee meeting held 10 June 2025.

Declaration of Interest

No officer declared an interest under the Local Government Act 2020 (LGA 2020) in the preparation of this report.

Background

Section 53 (1) of the *Local Government Act 2020* requires that each Council establish an Audit and Risk Committee. The Audit and Risk Committee is a formally appointed Advisory Committee of Council.

The Audit and Risk Committee's role is to report to Council and provide appropriate advice and recommendations relevant to its charter in order to facilitate decision making by Council in relation to the discharge of its responsibilities. The Audit and Risk Committee plays a key role in assisting Council to fulfil its governance and overseeing responsibilities in relation to financial reporting, internal control, risk management systems, ethical accountability and the internal audit function.

The Audit and Risk Committee (the Committee) does not have executive powers or authority to implement actions in areas over which management has responsibility and does not have any delegated financial responsibility. The Committee does not have any management functions and is therefore independent of management. Their role is to review, report and provide independent advice.

Risk Management Implications

Paul Harrison, RSD Audit
Cassandra Gravanell, Crowe Auditors
Gail Makone, Crowe Auditors

1.2 Acknowledgment of Country

The West Wimmera Shire Council acknowledges the traditional custodians of the land on which we meet, and pays respect to their elders, past, present and emerging.

1.3 Apologies

Kathy Teasdale, RSD Audit
Katie Frost, Governance Manager

1.4 Conflict of Interest Declarations

None declared

2 General Business

2.1 Confirmation of Previous Minutes

All meetings of the Audit and Risk Committee are minuted in line with good governance practices. The minutes of the previous meeting of the Audit & Risk Committee held 18 March 2025 and the Special Audit & Risk Committee Meeting held 12 May 2025 are attached for members' endorsement.

Celeste Gregory Moved and Cr Jodie Pretlove Seconded that the Audit and Risk Committee endorse the minutes from the previous meeting held 18 March 2025 and the minutes from the Special Audit & Risk Committee Meeting held 12 May 2025 with an amendment made to state the external auditors were not present.

Carried

3 Financial Reporting

3.1 Quarterly Budget Report

Report Author: Director Corporate and Community Services

The Quarterly Budget Report for the period ended 31 March 2025 was presented to the Committee.

The Local Government Act 2020 ('the Act') requires Council to implement the principles of sound financial management (s.101). Section 97 of the Act requires that Council be presented with a Quarterly Budget Report comparing actual to budgeted revenue and expenditure for the financial year to date every quarter. This report was previously known as the Financial Performance Report under section 138(1) of the Act.

Council passed a revised budget at an Unscheduled Council Meeting held 28 March 2025. The quarterly budget report ending 31 March 2025 has been reported against the revised budget.

Council's financial performance for the period 1 July 2024 to 31 March 2025 is currently favorable to the revised budget by \$1.6m because of several timing variations.

Comprehensive financial data is attached to this report, namely:

- Profit and Loss Statement for the 9 months ended 31 March 2025
- Balance Sheet as at 31 March 2025

- Statement of Cash Flows for the 9 months ended 31 March 2025
- Capital Works report for the period to 31 March 2025

Observations are made below in relation to these statements:

Profit and Loss Statement for the nine months ended 31 March 2025

Total Operating Income tracked within 3% of the amount budgeted for the period 1 July 2024 to 31 March 2025. Income is favorable to the budget resulting from increase in community contributions, operating grants and other income. These funds are likely to be held over into the 2026 financial year resulting from contract commitments associated with the delivery of projects continuing into the next financial year. A year-end adjustment will be recorded to recognise the contract commitments and bring income into line with expectations.

Net gain on disposal of assets is well above budget for the period due to the written down value of assets disposed of continuing to be held on balance sheet until year end reconciliation of fixed assets is undertaken. This adjustment will reduce the gain to approximately budgeted levels.

Commonwealth capital grants are tracking below budget primarily due to the timing of capital grant payments for RtR and LRCIP. Several grant acquittals payments remain outstanding and are expected to be settled prior to the end of the financial year.

Total Operating Expenses are tracking within 5% of the budget. With some uncertainty and timing differences in employment costs currently favorably impacting the expenses reported. Material and Services are currently reporting favorable to budget.

Work in Progress (WIP) is not included in Property Plant and Equipment in the Balance Sheet because these items are capitalised at the end of the financial year.

Balance Sheet as at 31 March 2025

Net Assets has decreased by approximately \$2.521M to \$265,849,989 when compared to the close of FY2024. This decrease was due to a decrease in property plant and equipment resulting from the recording of depreciation of fixed assets. Further, as mentioned above WIP assets have not been recorded in the Balance sheet at this stage and will increase recorded net assets by \$5.1M.

Statement of Cash Flows for the 9 months ended 31 March 2025

The Opening Cash and cash equivalents amount of \$8,043,264 at 1 July 2024 was lower than the budgeted forecast due to non-receipt of Financial Assistance Grant funding before 1 July 2024. The budgeted cash forecast was based on the assumption that this funding would be received by Council in FY2024.

Overall cash remains steady for the year to 31 March 2025 however 97% of total forecast revenue has been received already year to date and only 71% of total expenses have been recorded and 52% of capital expenditure it is expected that year end cash will remain an issue.

Capital works for the period to 31 March 2025

The Capital works program as at 31 March 2025 is 52% complete. Seasonal factors impacted upon the ability to significantly progress on major construction these projects before 31 December 2024, however, a substantial increase in work volume will occur in Q3 and Q4 FY2025. Several items have also been reduced in scope because of forecast financial position.

Risk Management Implications

The timing of grant funding payments to Council resulted in its cash position being less than originally forecasted. These timing considerations, the broader constriction in the general availability of grant funding, seasonal implications for capital works and the related capitalisation of operational expenses, and the severely depleted rates base, necessitate scrutiny and the conservative and prudent management of all current and future expenditure.

The Audit and Risk Committee received and noted the Quarterly Budget Report as at 31 March 2025.

3.2 Capital Works Progress Reports

Report Author: Director Corporate and Community Services

The Council plans and presents its Capital Works Program to the community which is part of the Annual Budget. As part of the Audit & Risk Committee work plan, a report of Capital Works in Progress should be presented with the summary of actual spends on the reporting date and comments from the Infrastructure Development & Works team on their indicative stage of completion and any comments which they consider important to be provided.

A report on WWSC Capital Works in progress is attached which provides a complete list of the projects in progress. Some of the projects are now complete and will be capitalised in accordance with WWSC Capitalisation Policy.

The Audit & Risk Committee received and noted the Capital Works Progress Report as at 31 March 2025.

3.3 CEO Corporate Card Expenditure

Report Author: Director Corporate and Community Services

West Wimmera Shire Council holds a small number of credit cards for the use of staff and the Mayor. Statements from the CEO's credit card along with a quarterly report detailing the usage by cardholder and by expenditure type are provided for the Committee's information.

A standing item at all Audit and Risk Committee meetings will be a sighting and check of the review of WWSC Credit Cards.

In addition to the presentation of the CEO Credit Card statements for March 2025 and April 2025, a summary of expenditure is presented for financial year detailing the usage by cardholder and by expenditure type.

The Audit and Risk Committee notes the use of Council Credit Cards.

3.4 Councillor & CEO Reimbursements

Report Author: Director Corporate and Community Services

The *Local Government Act 2020* allows that Councillors and staff including the Chief Executive Officer are not left out of pocket for the carrying out of Council business. Accordingly, any out of pocket expenses incurred by Councillors and the Chief Executive Officer can be reimbursed to them upon receipt of a suitable claim.

From time-to-time Councillors and the Chief Executive Officer incur expenses in the course of undertaking Council Business. These expenses may include travel, accommodation, meals or minor equipment necessary to undertaking Council business. It is reasonable that these expenses be reimbursed.

Reimbursement is made after a claim is submitted in the appropriate form including the provision of receipts. Councillor claims are approved or rejected by the Chief Executive

Officer, with the any claims made by Chief Executive Officer being approved or rejected by the Mayor.

Reimbursements are approved in accordance with Council's Councillor Expense Policy and must show a nexus to formal Council business.

Councillor and Chief Executive Officer reimbursements are attached for Member's information, in accordance with s.40(2) of the *Local Government Act 2020*.

The Audit & Risk Committee receive the report on Councillor and Chief Executive reimbursements.

ACTION: The Councillors & CEO reimbursements be itemised for future reports

3.5 Asset Management Update

Report Author: Director Corporate and Community Services

The Council has a 10 years Asset Management Plan and the latest version of Asset Management Plan 2022-2032 was adopted by the Council in May 2022 and there have been no changes since then.

The adopted version of Asset Management Plan 2022-2032 is submitted to the Audit & Risk Committee for information.

The Asset Management Plan is currently being reviewed for major update in conjunction with the 10-year financial plan for completion by October 2025.

The Audit & Risk Committee receives and notes the Asset Management Plan 2022-2032.

3.6 Asset Valuation & Condition Assessment Update

Report Author: Director Corporate and Community Services

Valuation and Reporting of Infrastructure Assets – Summary and Recommendations

The Victorian Auditor-General's Office (VAGO) Report on the Results of the Local Government Sector for FY2021–22 and FY2022–23 includes a key recommendation for finance teams: Councils should prepare and present a paper to their Audit and Risk Committee (ARC) prior to 30 June each year. This paper should address the following:

- The council's accounting policy requirements in relation to infrastructure assets.
- The approach used to assess fair value, including the engagement of external valuers and key milestones.
- The expected outcomes for the reporting cycle, including anticipated changes in fair value and the likely impact on the financial statements.

Further AASB 13 requires that the Council value its assets and liabilities at fair market value.

Current Practice and Valuation Cycle

Council operates on a rolling valuation cycle, engaging professional specialists to conduct detailed condition and valuation assessments. These assessments support planning for future renewal or upgrade expenditure and are integrated into the Asset Management Plan.

- **Buildings and Infrastructure:**
A valuation was completed in **September 2023** by **Australian Geographic Information Systems (AGIS)** and presented to the ARC in **June 2024**. The next external valuation is scheduled for **September 2025**.
- **Bridges and Major Culverts:**
Valued in **May 2024** by **RMG Driscoll**. It is currently unclear whether this report has been formally presented to the ARC. The next external valuation is planned for the **2026–27 financial year**.
- **Roads and Footpaths:**
Valuation completed in **November 2023** by **Moloney Asset Management Systems**. The next assessment is due in **November 2026**.

Internal Assessment and Data Integrity

Between formal external valuations, Council is expected to assess the carrying value of infrastructure assets internally. However, this process is currently constrained by:

- Inability to easily reconcile fixed asset data to the balance sheet carrying values.
- Lack of clarity around the impact of past external valuations on the reported asset values.
- Limited internal capacity to assess unit rates for certain asset classes—particularly bridges, major culverts, and buildings—due to the minimal volume of major construction projects undertaken by Council.

As at present, while year-end reconciliations are underway to substantiate asset balances, we cannot confidently verify the validity or fair market value of infrastructure asset carrying amounts.

Next Steps

Council will continue to collaborate with external auditors to ensure compliance with accounting standards. Updates on any movement in the carrying value of infrastructure assets will be reported to the ARC as part of our financial reporting obligations.

The Audit & Risk Committee noted the report.

4 Internal Audit

4.1 Internal Audit Update Report

Report Author: Director Corporate and Community Services

Under the *Local Government Act 2020*, the Audit and Risk Committee Charter must specify the functions and responsibilities of the Audit and Risk Committee. One of the functions includes overseeing internal and external audit functions.

Paul Harrison from RSD Audit provided an update on the internal audit program.

RSD recently completed the Internal Audit of Infrastructure and Asset Management.

The next scheduled internal audit, focusing on Occupational Health and Safety, is planned for early July 2025.

For reference, the Internal Audit Status Report was attached for Committee members, followed by an update on Recent Reports and Publications of Interest.

4.2 Final scopes for projects to be completed in the next 12 months

Report Author: Director Corporate and Community Services

RSD Audit will be conducting an internal audit into Occupational Health & Safety during July 2025. RSD has submitted the Final Project Scope for this upcoming internal audit as per plan and subject to review and feedback provided by the Audit & Risk Committee, this Draft Project Scope will be finalised.

The Audit & Risk Committee noted the Final Project Scope for the Occupational Health & Safety Internal Audit and shared its feedback for finalisation.

4.3 Internal Audit Actions

Report Author: Director Corporate and Community Services

An Internal Audit Action Plan is a structured response developed to address findings and recommendations arising from internal audits. It outlines the actions required, responsible parties, and timelines for implementation. Conducting a review of the action plan offers several key benefits:

- Improved accountability and oversight of processes
- Strengthened risk management
- Better Resource Allocation
- Enhanced Transparency and Communication
- Continuous organisational improvement
- Demonstrated Commitment to Good Governance

An Internal Audit Action Plan is a vital tool for translating audit insights into meaningful improvements. It supports organisational learning, ensures corrective actions are taken, and enhances the overall effectiveness of internal controls and governance frameworks.

The Audit and Risk Committee notes the Internal Audit Actions.

ACTION: Audit actions to be consolidated into one single list, showing priorities, allocation, reasonable dates assigned and completion of actions.

5 External Audit

5.1 External Audit Update Report

Report Author: Director Corporate and Community Services

Cassandra Gravenall from Crowe Australasia provided an update on the external audit strategy and interim audit for member's information.

The Audit & Risk committee received the External Audit Update.

5.2 External Audit Strategy

Report Author: Director Corporate and Community Services

External Audit Strategy

Under the *Local Government Act 2020*, the Audit and Risk Committee Charter must specify the functions and responsibilities of the Audit and Risk Committee. One of the functions includes overseeing internal and external audit functions.

5.3 External Audit Interim Management Letter

Cassandra Gravenall from Crowe Australasia provided an update on the external audit and their findings during the interim audit and to present the Interim Audit Management Letter.

6 Risk Management & Internal Controls

6.1 OHS & Risk Management Audit and Risk Committee Report

Report Author: OHS and Risk Manager

This report provides an update to the Audit and Risk Committee on current and emerging risk management and OHS issues.

Council's risk register provides a high-level rating of risks which affect Council's service provision. All actions carry some level of risk, whilst it is not possible to eliminate risk, Council can employ a system of internal controls to mitigate the potential occurrence and effects of risk. The register records those risks which are at a strategic level which Council believes may have a material impact upon its operations, and a summary of the internal controls in place to manage the risk.

A verbal update will be provided by the OHS & Risk Manager outlining the following attachments:

Appendix 1: OHS Committee Minutes No 172 22 May 2025

Appendix 2: OHS Policy

Appendix 3 Risk Management Framework

Appendix 4 West Wimmera Shire Council Business Continuity Plan 2025-26

Appendix 5 West Wimmera Shire Council Scenario Exercise

Appendix 6 West Wimmera Shire Council BCP Risk Assessment

Appendix 7 Strategic Risk Register Current

Appendix 8 Strategic Risk Review Committee Meeting 27 May 2025

OHS Responsibilities Training

On the 8 April 2024 AEGIS delivered a 4-hour session Influencing Claim Liability targeting ELT, Managers, Supervisors and Coordinators. The 4-hour session was attended by 27 key stakeholders.

The session was delivered by Simon Booth AEGIS Director addressing:

- Definition of a work cover claim
- The role of Councils insurer EML
- AEGIS role supporting Council
- Evidence required to dispute a claim
- As a manager, supervisor, coordinator what is my role managing a Work Cover claim and return to work
- Hearing loss claims
- 4 claims case studies

All feedback from the session was positive.

Council has negotiated with AEGIS to deliver an annual training session for ELT, Managers, Supervisors and Coordinators at no cost to Council.

Incident Reporting

Title	Comments	Q1	Q2	Q3	Q4	Total
Incidents		4	7			11
Hazard		8	11			19
Near Miss		3	5			8
Vehicle Damage		5	9			14
Total		20	32			52

Of the 52 incidents reported in the first 2 quarters more than 50% have been hazards and near misses where employees have proactively reported issues that can be mitigated prior to a potential injury.

Notifiable Incidents

There were no notifiable incidents during the reporting period.

Training Update

- 14 February 2025 Fire Warden Training 9 trainees participated.
- 3,4,5 June 2025 Council wide First Aid Training Edenhope and Kaniva.
- Biannual Hearing Assessments August 2025.

Appendix 1 OHS Committee Meeting Minutes 22 May 2025

CONTRACTOR INDUCTION

The KPI for contractor induction is to have all contractors inducted that are engaged by the West Wimmera Shire Council.

Date	Completed
04-06-2025	266 contractors

BUSINESS CONTINUITY PLAN (BCP)

Appendix 4 West Wimmera Shire Council Business Continuity Plan 2025-26

Appendix 5 West Wimmera Shire Council Scenario Exercise

Appendix 6 West Wimmera Shire Council BCP Risk Assessment

On 31 July 2024, MAV Insurance conducted a 3-hour Business Continuity Plan (BCP) Scenario. From this workshop MAV Insurance provided the Council with a report and recommendations to improve the BCP.

The workshop consisted of 11 key staff involved in the BCP process.

The feedback from JLT was positive, noting that the Council BCP team worked systematically and collaboratively.

The scenario consisted of.

- Global outage of internet and mobile phones
- All payroll systems are offline and its payday
- Customer Service have increased enquiries from the public
- Waste Management Contractor has staffing issues
- It is a Council Meeting Day
- Loss of power to IT (servers are down)
- Personal Care (services unavailable)
- Kindergartens are open today

A risk assessment was conducted to evaluate the recommendations not all recommendations were implemented.

The Business Continuity Plan was approved on 9 May 2025.

Council will engage JLT to conduct an annual audit of the BCP during November/December to coincide with Councils BCP review in January.

LEGAL MATTERS

- A former employee has made an Impairment Benefits Claim, engaging Maurice Blackburn Lawyers to represent them.
- A former employee is taking their Impairments Benefits Claim to the medical panel for assessment.
- Lessee of the Edenhope Tourist Caravan Park Chris Craig has made a claim against Council for \$7,000 for damage to two vehicles during a recent storm event.
The claim was denied on the grounds that Council had met their obligations of the license and were not responsible for assets that were damaged during a storm event.
The license agreement includes an indemnity clause in favor of the Council.

RISK MANAGEMENT UPDATE

Strategic Risk Register

Appendix 7 Strategic Risk Register Current

Appendix 8 Strategic Risk Review Committee Meeting 27 May 2025

MINUTES - Audit & Risk Committee Minutes - 10 June 2025
West Wimmera Shire Council

The Council held the Strategic Risk Review Committee (SRRC) meeting on 27 May 2025. All responsible officers of Councils 8 strategic risks updated the committee of changing trends and recommendations.

Key recommendations.

Strategic Risk 1; Inability to ensure that financial sustainability is maintained,

Provide a monthly financial report to Council

Strategic Risk 7: Failure to maintain, renew and expand our assets in a timely and robust manner.

Presentation of Annual Asset Renewal Requirements Report to Council as part of the budget process.

JMAPP Property Risk Workshop 16 July 2025.

This 2.5-hour session will address asset management, design management, emerging risks of the JMAPP Scheme (Property and Contents Insurance)

MAV Insurance Tree Risk Management 17 July 2025.

The 2-hour session will address Council's legal obligations of tree management within the Shire including Council's obligations as committee of management of Crown Land.

INSURANCE

Insurance Renewal Review 2025-26

Insurance renewal declarations for 2025-26 have been completed for all Council insurance policies.

Final negotiations with insurance class underwriters will be finalized by mid-June early predictions are there will be an overall reduction in Council's premium costs led by a substantial reduction in Council's Work Cover premium.

JMAPP Committee Meeting

As the representative of the Northwest Region of the JMAPP Committee, the final renewal update meeting will be held on the 19 June 2025

WORKCOVER

Currently Council has 2 active Work Cover Claims.

- Long term claim no longer an employee, this claim will end on the 22 June 2025.
- Back injury currently working 3 days per week, Independent Medical Examination in July 2025, Xray's, ultrasound and cortisone injection July 2025. Expected return to preinjury hours and duties September 2025.

There has been one new work cover claim lodged for a psychological injury during the reporting period. The claim was denied.

The Audit and Risk Committee received and note the OHS & Risk update.

6.2 Supplier Spend Analysis

Report Author: Director Corporate and Community Services

Council monitors the financial activity with all suppliers and contractors and presents a bi-annual report to the Audit & Risk Committee for information.

The supplier spend analysis for a twelve-month period and the report from 1 July 2024 to 30 June 2025 was provided to the Committee for information.

The Audit and Risk Committee receive and note the report on Supplier Spend Analysis.

6.3 Policy Tracker

Report Author: Director Corporate and Community Services

Council's Policy Tracker is a significant risk mitigation tool in that it provides Council with oversight over the review of Council policies which form a fundamental building block of Council's risk management process.

The following policies were presented in draft form for the Audit and Risk Committee's review and feedback prior to being tabled at a Council meeting:

- Procurement Policy
- Corporate Credit Card Policy

-

The Audit and Risk Committee endorse the attached Corporate Credit Card Policy and the Procurement Policy.

6.4 Legislative Compliance Tracker

Report Author: Director Corporate and Community Services

Council recognises that as a government body, it has a significant responsibility to comply with legislative obligations and must comply with obligations set out in the *Local Government Act 2020* and its regulations.

The role of a council is to provide good governance in its municipal district for the benefit and wellbeing of the municipal community. It must, in the performance of its role, give effect to the overarching governance principles outlined in the *Local Government Act 2020*.

Council has developed a legislative compliance tracker to capture Council's progress towards achieving statutory deadlines which is attached to this report.

The Audit and Risk Committee notes the Legislative Compliance Tracker.

ACTION: Annual A&RC Survey to be completed.

7 Other Responsibilities

7.1 CEO Update

Report Author: Chief Executive Officer

The Audit and Risk Committee requested at its meeting held 5 April 2022 that an update from Council's Chief Executive Officer be added as a standing item to the agenda, to be presented at quarterly meetings.

The Chief Executive Officer will provide a verbal update on organisational matters relevant to the Audit and Risk Committee.

The Audit and Risk Committee note the CEO update.

7.2 Audit & Risk Committee Chair Bi-Annual Report

Report Author: Director Corporate and Community Services

West Wimmera Shire Council (Council) employs the Audit and Risk Committee as an advisory committee of Council in accordance with s.53 of the *Local Government Act 2020* (the Act).

As outlined in section 5.7 of the Audit and Risk Committee Charter, and in accordance with section 54(5) of The Act, the Audit and Risk Committee shall prepare a biannual audit and risk report that describes the activities of the Audit and Risk Committee and includes its findings and recommendations. This report must be provided to the Chief Executive Officer for tabling at the next Council meeting.

The report was prepared by Chair Mr Richard Ainio and has been provided to Members for review. It will be tabled along with the minutes of this meeting at the next Council meeting.

7.3 Audit & Risk Committee Work Plan

Report Author: Director Corporate and Community Services

Part of providing effective oversight to Council activities by the Audit & Risk Committee (the Committee) includes the schedule of regular activities to be reviewed by the Committee.

This allows the Committee to ensure that all important aspects of the Council's activities are being overseen.

An Audit & Risk Committee Work Plan provides the Committee with a set process to review and assess important documentation and reports and a chance to analyse key risks to Council in a structured manner. Attached is a proposed Annual Work Plan as developed for Council by RSD Audit.

There are a number of items listed on the Work Plan which fall due in June which are included as items of business (either new or standing items) separately in this agenda.

The Audit & Risk Committee Work Plan provides the Committee with a clear process to assess and analyse risk to Council.

The Audit and Risk Committee receive and note the annual work plan.

7.4 Review Outstanding Action Items

Report Author: Director Corporate and Community Services

The Audit Committee recommends particular actions to Council and management from time to time with an aim of improving governance and accountability.

For the Audit Committee to be effective it should make recommendations to Council and management on improvements that can be made to Council's governance controls and must then follow up with Council and Management as to the implementation status of these recommendations.

The attached schedule outlines the status of recommendations the Audit Committee has made at its meetings.

It is important that the Audit Committee follow up on the progress of any recommendations it has made to ensure that Council maintains a sound governance and internal control framework.

The Audit and Risk Committee receives the report on Audit Committee actions update for information.

Meeting closed:

The Audit & Risk Committee Agenda - 10 June 2025 was declared closed at 3:39pm

Next Meeting:

9 September 2025

5.4

Confidential Discussion

A confidential section of the meeting allowed for the Audit and Risk Committee to meet with the internal and external auditors to discuss and provide any feedback to the Committee.

DRAFT

15 Infrastructure Development and Works

15.1 Update of Road Register

Directorate: Infrastructure Development and Works

Report Author: Design Engineer

Report Purpose: For Decision

Purpose

To review the Council's Road Register, advertise to the public and invite comments, amend and adopt the Road Register as referred to in the Road Management Plan.

OFFICER RECOMMENDATION:

That Council advertise the following proposals with respect to the Road Register and invite comments with a view to adopt the Road Register at a subsequent Council meeting:

- 1. That chainage 0.0km – 0.270km section of Zenda Lane to be listed in the Road Register as Category 5.**
- 2. That the earth section chainage 0.270km - 0.850km section of Zenda Lane is listed in the Road Register as Category 6B.**
- 3. That chainage 0.27km – 4.17km of Dixons and Pahls Rd be categorised as 6A.**
- 4. That chainage 0.890km – 1.420km of Les Munns Road be categorised as 5 in the Road Register.**
- 5. That chainage 4.974km – 7.724km of Albert Isaacsons Road be categorised as 6A in the Road Register**
- 6. That Council reaffirm the status of Kaniva South as Cat 6A but direct maintenance funds from existing budget toward the road.**
- 7. That chainage 2.280- 7.030 km of Hawkers and Goodwins Road be Category 5.**
- 8. That chainage 0.50km – 5.280km of Miram Cemetery Road be Category 6B.**
- 9. Arthurs Road - That chainage 0.0km – 2.970km be categorised as 6A, but direct maintenance funds from existing budget toward the section of road.**
- 10. Grant Richs Road to be categorised as 5 in the Road Register.**

Declaration of Interest

No officer declared an interest under the Local Government Act 2020 (LGA 2020) in the preparation of this report.

Background

The Council maintains a Road Register or "Register of Public Roads" as referred to under the Council's Road Management Plan and the Road Management Act 2004. The roads within the Roads Register are those which the Council believes are reasonably required for public use. The Council last reviewed its Road Register in 2021 upon adoption of its Road Management Plan. A Council may review its Road Register at any time however it is reasonable that the Council completes a review within the first year after each Council election as a minimum.

There are only minor changes recommended for the Road Register. The current Road Register is attached.

Risk Management Implications

Risk identified: There are no obvious risks for Council to mitigate or eliminate in regard to the proposal considered for funding support in this report.

Legislative Implications

The report complies with the requirements of the:
Local Government Act 2020

Environmental Implications

Not applicable

Financial and Budgetary Implications

The financial risk rating has been assessed as: Low

Policy Implications

This report is supported by the following West Wimmera Shire Council Policy/s:

Asset Management Policy
Asset Management Strategy

Council Plan Implications

This report supports the following sections of the West Wimmera Shire Council Plan 2021 – 2025:

Goal 1 – Liveable & Healthy Community

- 1.3 Provide well planned and sustainable community infrastructure.
- 1.4 Deliver quality services that support community life.

Goal 2 – Diverse and Prosperous Economy

- 2.5 Enhance the local road network and explore transport options.
- 2.6 Provide infrastructure to sustain economic activity.

Communication Implications

The proposed changes to the Road Register should be advertised to invite public submissions prior to Council making a final decision.

No Communication Implications

Gender Equality

No Equal Impact Assessment is required

Conclusion

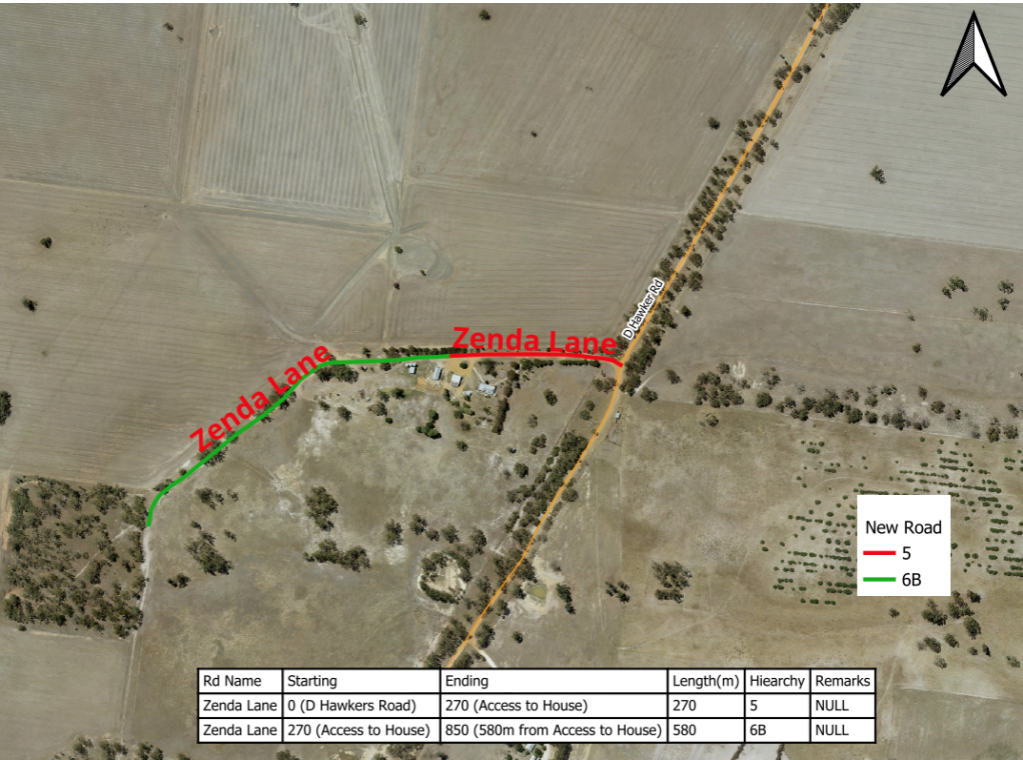

The minor changes to the Road Register are recommended for Council decision after public submissions are received on the proposals.

Attachments

1. Road Hierarchy Review [15.1.1 - 10 pages]
2. West- Wimmera- Shire- Road- Register V 3 [15.1.2 - 49 pages]

Road Hierarchy Review – Road Register Update

Zenda Lane – The previously unnamed section of road (off D Hawkers Rd) was given a name formally by Council in late 2024. The naming process was completed 6 February 2025 with placement of the naming notice in the Government Gazette. There is a sandstone gravel section in fair condition, which leads to a house on Zenda lane that is 270m long. The next section past the house entrance is unformed and is generally not maintained by Council but does provide access to the Lillimur South Cemetery (this section gets very little use but should be recognised to allow access to the cemetery and it also provides a rural property access beyond the cemetery along the road reserve). This section could be categorised as Category 6B.

Recommendation:

That chainage 0.0km – 0.270km section of Zenda Lane to be listed in the Road Register as a Category 5.

That the earth section chainage 0.270km - 0.850km section of Zenda Lane be listed in the Road Register as Category 6B.

Dixons and Pahls Road – Currently only the first 270m off the Charam Wombelano Road is recognised on Council’s Road Register as a Category 6A road. The entire section through to the Wimmera Highway is maintained by Council, so it is reasonable that the full length being 4.17km be categorised as 6A. There is 1.7km from the Wimmera Highway which is has been gravelled in the past, while much of the remainder have no gravel surfacing.

Recommendation:

That chainage 0.27km – 4.17km of Dixons and Pahls Rd be categorised as 6A.

Les Munns Road – This road runs north of the Bringalbert South Road and is categorised as 5A for 890m. There is a further formed and gravelled section that provides access to a house that is 530m long that is not listed at all on the Road Hierarchy. I believe this to be an oversight, and it would be prudent to recognise this section as Cat 5 as well. It is a good formation, with two culverts under it, and buckshot gravel. Very corrugated and needs a grade but otherwise performs well in wet.

Recommendation:

That chainage 0.890km – 1.420km of Les Munns Road be categorised as 5 in the Road Register.

Albert Isaacsons Road – Runs south from the Natimuk Francis Road. Ch 0.0km – 2.85km is Cat 5 to a house. Chainage 2.850km – 4.974km is Cat 6A. The remaining 2.75km of Albert Isaacsons Road (which links up to Morgans Road, a Cat 5 road) is not listed on Councils Road Register. This section passes through the Mount Arapiles Tooan State Park. Parks and DEECA do not maintain this section. Council has historically maintained the section. It is lightly formed and generally unpaved, just the odd section with gravel or rubble. It is in reasonable condition throughout when inspected after wet weather. Note: the section of road proposed for inclusion into the Road Register generally traverses through the State Park rather than the road reserve adjacent.

Also note the following:

Section 3 of the *Local Government Act 1989* outlines that:

A public highway is a road which is open to the public for traffic as a right, irrespective of whether the road is in fact open to traffic, and includes a road—

- (a) declared to be a public highway under section 204(1) or under any other Act;
- (b) which becomes a public highway under section 24(2)(c) of the Subdivision Act 1988;
- (c) which is a public road under the Road Management Act 2004;

Part 9 Section 205 of the *Local Government Act 1989* continues to detail that:

- 9(1) - A council has the care and management of –
- (a) all public highways vested in Council; and
 - (c) all public highways on Crown land and roads vested in a Minister (other than freeways and arterial roads within the meaning of the *Road Management Act 2004* and public highways and roads vested in a public authority);

Recommendation: That chainage 4.974km – 7.724km of Albert Isaacsons Road be categorised as 6A in the Road Register.

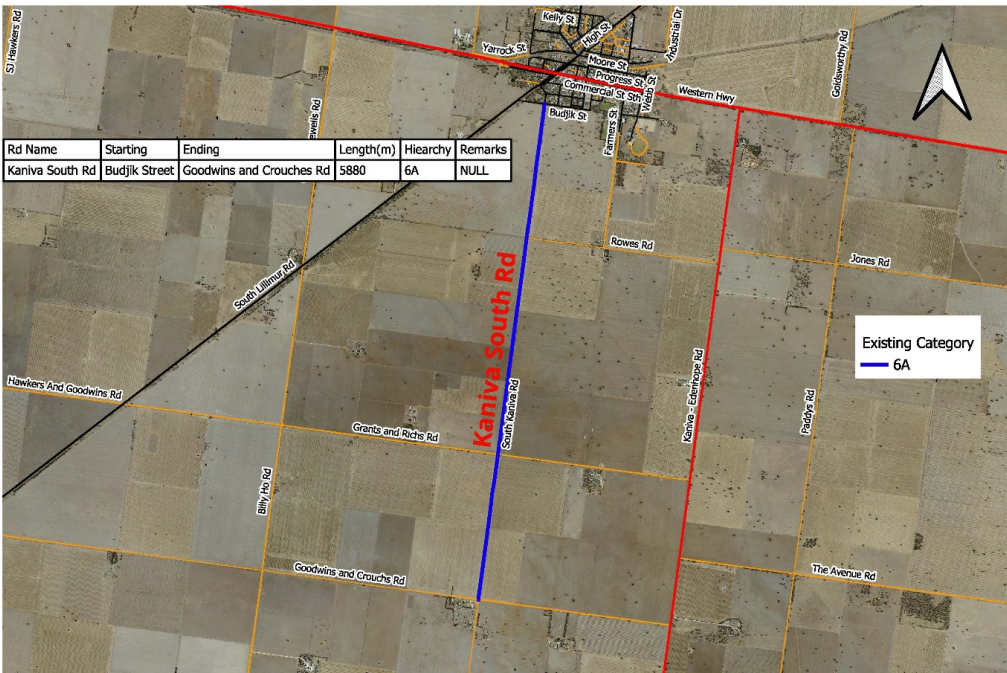

Kaniva South Road

Several requests have been made to Council for the upgrade of Kaniva South Road. There is 5.56km of Kaniva South Road which starts at Budjik Street and extends to Goodwins and Crouchs Road. The pavement is very poor quality sandstone at best and of minimal depth. It is not a viable option during wet weather in its current condition. The road is currently Category 6A as there are no residences along its length. Property owners who reside on Goodwins and Crouchs Road and Grant Richs Road utilise the road to access their properties and as access into Kaniva. The properties have Category 5 access in an easterly direction from their properties to the Kaniva Edenhope Road.

While there would be a benefit for primary production and general access in the Kaniva South area, the road would need to be fully resheeted at an approximate cost of \$220,000 if it were upgraded to a Category 5. This would need to be done over time.

Council needs to consider whether it is in a position to upgrade its network and provide a more efficient and accessible alternative route for the users in the Kaniva South area.

As an alternative, the condition of Kaniva South Road could be improved with some major gravel patching through maintenance funds. There may be a need to do these works over successive years. This would not provide the standard that is requested but should improve access over time. The majority of the road portion is well formed however sections are holding water, need to be reformed and some gravel applied in sections.

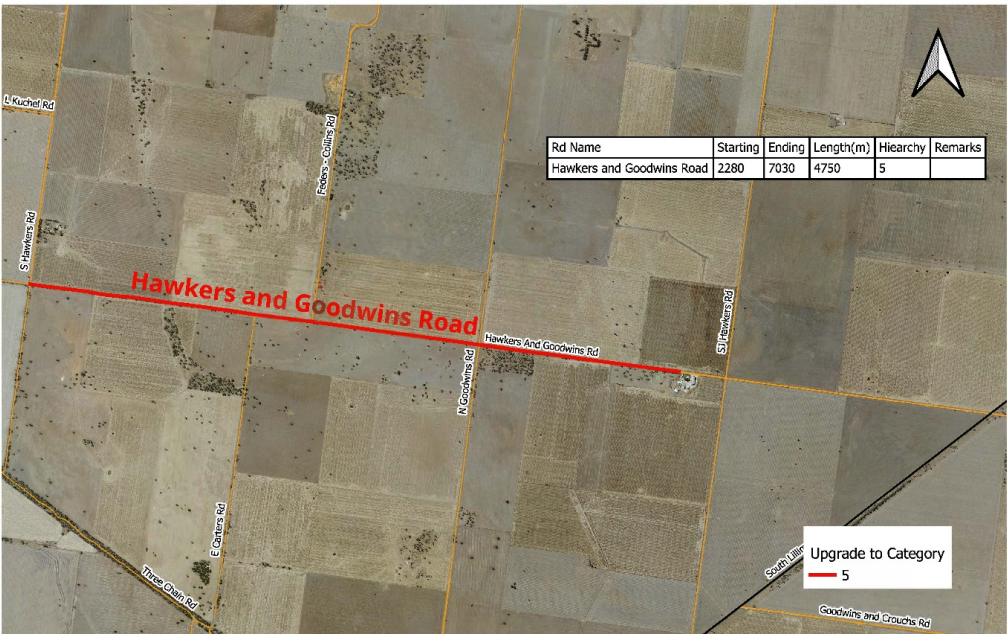

Recommendation: That Council reaffirm the status of Kaniva South as Cat 6A but direct maintenance funds from existing budget toward the road.

Hawkers and Goodwins Road

Hawkers and Goodwins Road is currently Category 5 from Lillimur South Road (where the chainage of the road starts) for 2.28km. The remainder is currently 6A.

Gravelling works have been undertaken in recent years at the direction of Council, so that the length from Lillimur South Road to S Hawkers Road is now of good quality pavement (all limestone except for 1km east from S Hawker Rd which is sandstone). It is reasonable that the road be Category 5 so that this road can be maintained into the future as an all-weather gravel road.

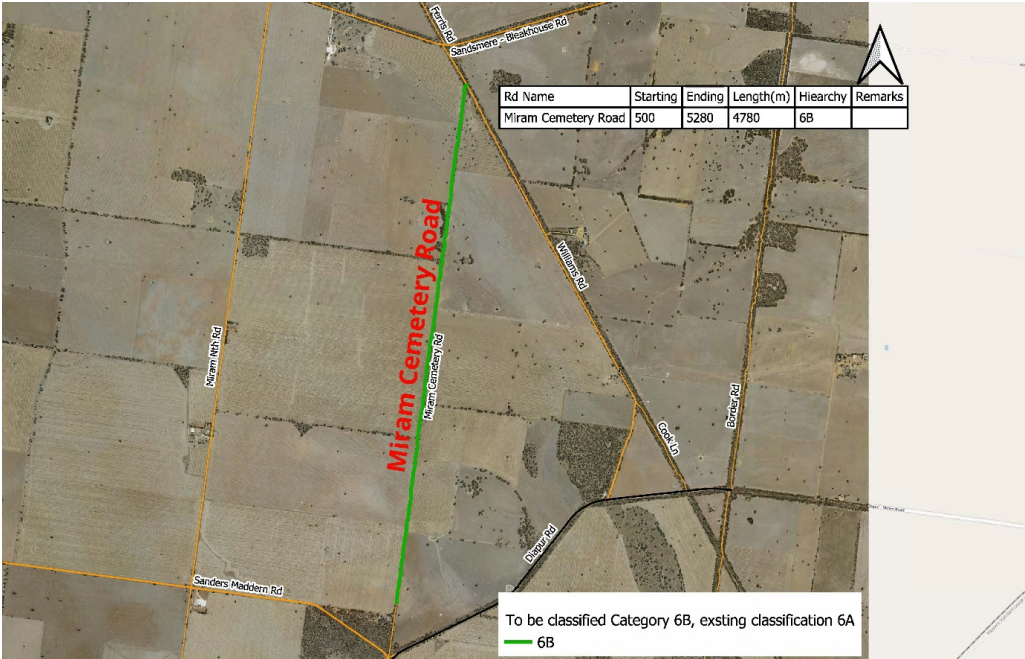

Recommendation: That chainage 2.280- 7.030 km of Hawkers and Goodwins Road be Category 5.

Miram Cemetery Road

The Miram Cemetery Road starts at Sanders Maddern Rd and terminates at Williams Rd at its northern end. The first 500m provides access to the Miram Cemetery and is classified at 6A. This access road to the cemetery gates is gravelled and in reasonable condition.

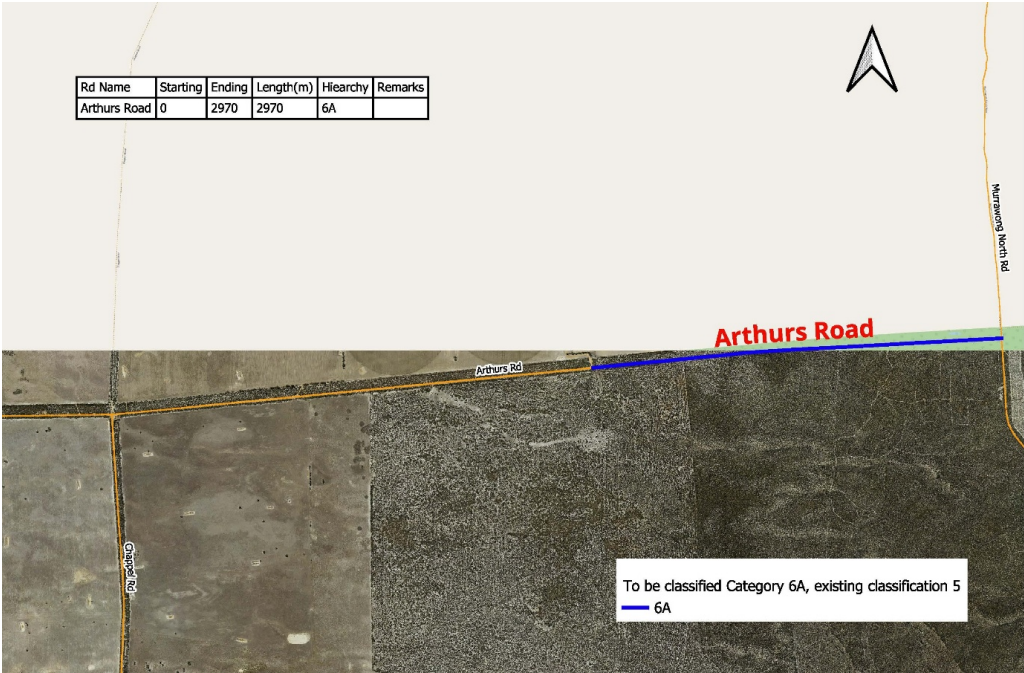

The section going north from the cemetery 0.50km – 5.280km is currently category 6A however the road is a track at best. The road is unformed and not maintained by Council. This section is recommended to be 6B.

Recommendation: That chainage 0.50km – 5.280km of Miram Cemetery Road be Category 6B.

Arthurs Road

Arthurs Road starts it zero chainage at Murrawong North Road and is currently Category 5 to 9.150km which is the entrance to the Niagra property Walbwa Downs property. The entrance to the Walbwa Downs property is at 2.970km. Chainage 0 to 2.970km is extremely sandy and has not been maintained as a Category 5 road as the all-weather access to the south for both Arthurs Road properties is via Chappel Road. It is thought that a more realistic classification for the initial 2.97km of Arthurs Road would be 6A. Its current condition is reflective of a 6A classification, and it would seem reasonable as the property affected already has one all weather access to Chappel Road. The access could be improved with some major gravel patching through maintenance funds in this section.

Recommendation: That chainage 0.0km – 2.970km be categorised as 6A, but direct maintenance funds from existing budget toward the section of road.

ROAD HIERARCHY DESCRIPTIONS FOR CATEGORY 5 and 6.

Access-Dwelling Roads; Category 5a

These roads serve as primary all weather access to at least one dwelling.

Definition: Serve at least one occupied dwelling and link individual houses to higher classification roads, generally have traffic volumes less than 30 vehicles per day.

Many of these roads are unsealed with a small percentage being sealed.

Access-Property Roads; Category 5b

These roads serve as all-weather access to rural, commercial or industrial properties.

Definition: Serve as access to non-residential properties only and link those non-residential properties to higher classification roads, they generally have average traffic volumes of

less than 30 vehicles per day and usually have imported pavement material placed upon them.

Minor Roads; Category 6A

Provide dry weather access to rural, commercial or industrial properties.

Definition: Serve as access to non-residential properties only and link those non-residential properties to higher classification roads, they generally have average traffic volumes of less than 10 vehicles per day and generally have no imported pavement material placed upon them.

Minor Roads (not maintained); Category 6B

Category 6B Roads are not proactively maintained by Council. They are not constructed roads.

Definition: Non-constructed roads within a road reserve which are not proactively maintained by council.

15.2 Property Acquisition Policy

Directorate: Infrastructure Development and Works

Report Author: Design Engineer

Report Purpose: For Decision

Purpose

The intention is for the Council to adopt a policy to provide guidance on the acquisition of property. The policy is to provide a fair, compliant, and transparent position with regards to the acquisition of property and provide criteria to determine whether a property is worthy of purchase.

OFFICER RECOMMENDATION:

That Council adopt the Property Acquisition Policy.

Declaration of Interest

No officer declared an interest under the Local Government Act 2020 (LGA 2020) in the preparation of this report.

Background

The council has previously been requested to consider the adoption of a policy to guide property acquisition via an audit. The development of the policy was listed in the 'improvement plan' of Council's Asset Management Plan 2022. Council has for some time had an Asset Disposal Policy, but not one that deals with acquisition. This new policy will provide guidance for the purchase of vacant land or property with improvements or buildings located on it.

Risk Management Implications

Risk identified: There are no obvious risks for Council to mitigate or eliminate in regard to the proposal.

The policy will assist in managing the risks involved in the acquisition of property or land.

Legislative Implications

The report complies with the requirements of the:
Local Government Act 2020

Environmental Implications

Not applicable

Financial and Budgetary Implications

Not applicable

Policy Implications

This report is supported by the following West Wimmera Shire Council Policy/s:

Asset Management Policy
Asset Management Strategy
Community Engagement Policy

Council Plan Implications

This report supports the following sections of the West Wimmera Shire Council Plan 2021 – 2025:

Goal 1 – Liveable & Healthy Community

1.3 Provide well planned and sustainable community infrastructure.

Goal 2 – Diverse and Prosperous Economy

2.6 Provide infrastructure to sustain economic activity.

Goal 4 – Good Governance

4.1 Ensure long term financial sustainability.

Communication Implications

No Communication Implications

Gender Equality

No Equal Impact Assessment is required

Conclusion

The Property Acquisition Policy will provide clear, consistent, and transparent guidance for property purchases. It addresses audit recommendations and supports the objectives of the

Asset Management Plan 2022, ensuring responsible and strategic decision-making by Council. It satisfies a recommendation from a previous financial audit.

1. Property Acquisition Policy [**15.2.1** - 5 pages]

Council Policy Manual WEST WIMMERA SHIRE COUNCIL

COUNCIL POLICY	
PROPERTY ACQUISITION POLICY	Policy No:
	Adopted by Council:
	Next review date:
Executive Director:	Director Infrastructure Development & Works
Responsible Officer:	Manager Infrastructure Engineering
Functional Area:	Infrastructure Engineering
Introduction and Background	It has been identified that Council should have some guidance via a policy on the acquisition of land or property to minimise the risks involved and ensure the process is controlled and transparent.
Purpose and Objectives	<p>The purpose of this policy is to provide:</p> <ul style="list-style-type: none"> a fair, compliant, and transparent position with regards to the acquisition of Council owned property; and criteria to determine if a property is worthy of purchase.
Scope	<p>This policy also applies to any property that Council is considering acquiring.</p> <p>This policy does not apply to CROWN land or property managed by Council on behalf of the CROWN.</p>
Response to the Overarching Governance Principles of the Local Government Act 2020	<p>Section 9 of the Local Government Act 2020 states that a Council must in the performance of its role give effect to the overarching governance principles.</p> <p>This policy is in response to the following overarching governance principle/s of the Local Government Act 2020:</p> <ul style="list-style-type: none"> the community engagement principles (section 56) the public transparency principles (section 58)
Definitions	<p>Property – Real property commonly referred to land and may include a building or improvements on the land.</p> <p>Land – The land as described in a Certificate of Title that has no improvements within its boundaries.</p> <p>Acquisition – Purchase of property or land.</p> <p>Valuation – A formal assessment performed by a Registered Valuer to establish value of property or land.</p>

Page 1

Council Policy Manual WEST WIMMERA SHIRE COUNCIL

	<p>Certificate of Title – A record of interests and rights affecting land.</p> <p>Real Assets – Land or property.</p> <p>Best Value – A principle-based approach that aims to ensure that services meet the needs of the community in terms of quality, competitiveness, efficiency, continuous improvement, and accountability.</p> <p>Contract – A written agreement documenting the acquisition of property that is enforceable by law.</p> <p>Compulsory Acquisition – A statutory process that enables Council to acquire land or property without the willing consent of its owner or occupant for public purposes such as building or roads.</p>
Policy Details	
1.	<p>GENERAL PROVISIONS</p> <p>West Wimmera Shire Council has a responsibility to manage property owned by Council so that it provides best value for the community.</p> <p>1.1 Acquisition and Compensation</p> <p>A Council may purchase or compulsorily acquire any land which is or may be required by the Council for or in connection with, or as incidental to, the performance of its functions or the exercise of its powers. Council must undertake a community engagement process in accordance with its Community Engagement Policy.</p> <p>1.2 Other Consultation</p> <p>Where no statutory requirement exists, but it is considered to be in Council's best interest to enter additional community engagement, Council may, at its discretion, undertake an appropriate community engagement process.</p> <p>Nothing in this policy precludes preliminary discussions taking place between Councillor's and staff as to whether a property might be suitable for consideration for sale. The following details are required as a minimum for a preliminary discussion:</p> <ul style="list-style-type: none"> • Address of the property • Area of the property according to the Council records. • Land Use Zone according to Council records. • Book value according to Council records. <p>For preliminary discussions, Council will not incur the cost of a valuation by a Certified Valuer.</p> <p>1.3 Hearing of proposals with respect to property acquisition</p> <p>Council at a Forum meeting will consider and hear any proposals in relation to the acquisition of property.</p>
2.	<p>CRITERIA CONSIDERED REGARDING ACQUISITION OF PROPERTY</p> <p>2.1 Criteria for Acquisition</p> <p>A property may be considered for acquisition if:</p> <ul style="list-style-type: none"> • Property is required for provision of a Council service or operation, now or in the

Page 2

Council Policy Manual WEST WIMMERA SHIRE COUNCIL

	<p>future, and no suitable, economical viable alternative exists; or</p> <ul style="list-style-type: none"> The property demonstrates a viable economic return to Council over time; or The property can be set aside to fulfil a demonstrated strategic purpose in the future.
	<p>2.2 Compulsory Acquisition</p> <p>As an 'acquiring authority' under the <i>Planning and Environment Act 1987</i>, and in accordance with section 112 of the <i>Local Government Act 2020</i>, Council may compulsorily acquire property.</p> <p>A property will only be compulsorily acquired when:</p> <ul style="list-style-type: none"> It is for public purpose. All other options have been explored and considered. The land is first included in a Public Acquisition Overlay in the West Wimmera Planning Scheme; and The process for compulsory acquisition as set out in the <i>Land Acquisition and Compensation Act 1986 (VIC)</i> and the Victorian Government Land Transactions Policy (2022) has been followed.
3.	<p>CONSIDERATION OF PROPOSALS</p> <p>3.1 Prior to formal consideration of a proposal to acquire property</p> <p>A comprehensive due diligence report is to be provided to Council outlining the following as a minimum:</p> <ul style="list-style-type: none"> Description of the property. A valuation by a Certified Valuer. A locality map. Confirmation that the land is as described and survey issues such as encroachments (either on or from the land), access, encumbrances, etc., have been investigated and addressed. This will ensure that true property boundaries of the land and any right and restrictions are accurately recorded in the title documents and/or any material discrepancies are disclosed in the sale contract. The current user/s The reason for proposed acquisition. Certificate of Title (copy). The recommended method of acquisition. A recommendation as to the purchase price range and associated legal and other costs (in confidence). Budget considerations. Estimated timeframes; and Any special conditions. <p>A report will satisfy the criteria set out in 2.1 and address the questions outlined below.</p> <p>3.2 Regarding Acquisition</p> <ul style="list-style-type: none"> Has the acquisition of the property been identified in a Council plan, strategy, study, master plan or previous Council resolution? Has the proposal to acquire property been referred to the Executive Leadership Team (ELT) for consideration and recommendations? Is there a flood liability or drainage constraint on the property such as an LSIO

Commented [E11]:
[VictorianGovernment_LandTransactionsPolicy.pdf](#)

This policy applies when an agency is making an offer of compensation for the compulsory acquisition of the land under the LAC Act

Commented [E12]: I would strongly recommend include a preliminary risk screen assessment, or land use history be included here. This will give assess the likelihood of any land contamination.

[Preliminary Risk Screen Assessments](#)

Page 3

Council Policy Manual WEST WIMMERA SHIRE COUNCIL

	<p>(Land Subject to Inundation Overlay), FO (Floodway Overlay), BMO (Bushfire Management Overlay)?</p> <ul style="list-style-type: none"> What are the other planning controls and considerations, such as significant vegetation and cultural <u>heritage</u>. Has the potential for contamination been investigated? (Where it is deemed that there is potential for contamination to be present, the responsible agency must engage a suitably qualified expert to undertake, at a minimum, a preliminary risk screen <u>assessment</u>, to formalise and document the contamination status of the land. Has the property been acquired because of unpaid municipal rates? Have liabilities on the property been considered? Are there other locations or options available to provide the same level of service, with similar or better economic, social or environmental benefit? Have Native Title implications been considered? <p>3.3 Cost of Acquisition</p> <ul style="list-style-type: none"> What is the total, upfront and ongoing cost to Council for purchase and management, and how does this compare to any alternatives?
4	<p>CONFIDENTIALITY</p> <p>All information with regards to the acquisition of property can be made public, except in the following circumstances:</p> <ul style="list-style-type: none"> Valuation advice remains the property of the instructing agency (or agencies where joint instructions are issued) and must not be disclosed to any third party unless authorised by the agency(ies). Any other documentation or information that discloses commercially sensitive information.
5	<p>REFERENCES</p> <ul style="list-style-type: none"> <i>The Local Government Act 2020 The Transfer of Land Act 1958</i> <i>The Land Acquisition and Compensation Act 1986 The Valuation of Land Act 1960</i> Victorian Government Land Transactions Policy (<u>2022</u>)

Commented [E13]: NB: The whole shire is in the Bushfire Prone Area

Commented [E14]: See comment above

WEST WIMMERA SHIRE COUNCIL

15.3 Provision of a Free Green Waste Disposal Period - 2025

Directorate: Infrastructure Development and Works

Report Author: Director Infrastructure Development and Works

Report Purpose: For Decision

Purpose

To seek Council approval for the dates of the 2025 “Free Green Waste Fortnight” at West Wimmera Shire transfer stations.

OFFICER RECOMMENDATION:

That Council:

- 1. Confirms the 2025 Free Green Waste Fortnight will run from Saturday 27 September 2025 to Sunday 12 October 2025 (inclusive).**
- 2. Continues to offer the Free Green Waste Fortnight annually at all West Wimmera Shire transfer stations.**

Declaration of Interest

No officer declared an interest under the Local Government Act 2020 (LGA 2020) in the preparation of this report.

Background

Since 2022, Council has offered one annual Free Green Waste Fortnight at all transfer stations. The initiative was introduced to:

- Assist residents in managing excess vegetation growth following wet seasons.
- Reduce potential fire hazards ahead of the summer fire season.
- Minimise illegal roadside dumping and inappropriate disposal of green waste in general waste bins.

The program has been well received by the community and continues to provide environmental and safety benefits.

Proposal for 2025 Dates

For 2025, it is proposed that the Free Green Waste Fortnight run from Saturday 27 September 2025 to Sunday 12 October 2025 (inclusive).

This timing overlaps with the September/October school holidays by one week, enabling families with children or grandchildren to take part in cleanup activities together. The second week falls during the school term, allowing residents who wish to go away during the holidays to still access the free disposal period.

Benefits

- Provides residents with a cost-free, convenient disposal option during peak vegetation growth periods.
- Encourages early removal of excess vegetation, reducing fire risk.
- Diverts green waste from landfill to recycling/processing.
- Reduces illegal roadside dumping.

Risk Management Implications

Risk identified: Environmental risk
Reputation risk

Legislative Implications

Not Applicable

Environmental Implications

Environmental Risk rating has been assessed as: Low

Financial and Budgetary Implications

The financial risk rating has been assessed as: Low

Based on previous years' participation, it is anticipated that approximately 200 cubic metres of green waste will be collected across all transfer stations during the fortnight.

This equates to a revenue loss of around \$3,000, partly offset by reduced landfill volumes.

Policy Implications

This report is supported by the following West Wimmera Shire Council Policy/s:

Community Engagement Policy

Council Plan Implications

This report supports the following sections of the West Wimmera Shire Council Plan 2021 – 2025:

Goal 1 – Liveable & Healthy Community

1.2 Support a safe and inclusive community.

Goal 2 – Diverse and Prosperous Economy

2.5 Enhance the local road network and explore transport options.

Goal 3 – Sustainable Environment

3.2 Promote sustainable environmental management practices.

Goal 4 – Good Governance

4.2 Engage with the community in a timely and respectful way.

Communication Implications

No Communication Implications

Gender Equality

No Equal Impact Assessment is required

Conclusion

The Free Green Waste Fortnight has proven to be a valuable annual community initiative since its introduction in 2022. The proposed 2025 dates offer both family participation during school holidays and flexibility for residents who prefer non-holiday access.

15.4 Procurement Policy Review

Directorate: Infrastructure Development and Works

Report Author: Director Infrastructure Development and Works

Report Purpose: For Decision

Purpose

To present the revised Procurement Policy for Council's consideration and adoption following a scheduled review and consultation with the Audit and Risk Committee.

OFFICER RECOMMENDATION:

That Council adopts the Procurement Policy 2025 as attached to this report.

Declaration of Interest

No officer declared an interest under the Local Government Act 2020 (LGA 2020) in the preparation of this report.

Background

Section 108 of the *Local Government Act 2020* requires each council to prepare and adopt a Procurement Policy that:

- Specifies the principles, processes, and procedures applying to the purchase of goods, services, and works by the Council.
- Is reviewed at least once every four years.
- Is publicly available.

The current Procurement Policy was adopted in 2021 and was due for review in 2025.

The revised Procurement Policy was presented to the Audit and Risk Committee at its meeting on 10 June 2025, and feedback provided by the Committee has been incorporated into the final draft now presented for Council's formal adoption.

Key updates in the revised Policy include:

- Clarification of processes when accessing collaborative procurement contracts (e.g. MAV or State Government panels).
- Introduction of updated local benefit weightings to strengthen support for local and Indigenous businesses.

- Clarification of roles and responsibilities, including updated conflict-of-interest provisions.

Risk Management Implications

Risk identified:

Asset risk

Financial risk

Reputation risk

Legislative Implications

The report complies with the requirements of the:

Local Government Act 2020

Local Government Act 1989

Environmental Implications

Environmental Risk rating has been assessed as: Low

Financial and Budgetary Implications

The financial risk rating has been assessed as: Low

Policy Implications

This report is supported by the following West Wimmera Shire Council Policy/s:

Asset Management Policy

Asset Management Strategy

Procurement Policy

Council Plan Implications

This report supports the following sections of the West Wimmera Shire Council Plan 2021 – 2025:

Goal 1 – Liveable & Healthy Community

1.3 Provide well planned and sustainable community infrastructure.

Goal 2 – Diverse and Prosperous Economy

2.1 Encourage and support the establishment and expansion of innovative, creative and sustainable businesses.

2.3 Facilitate the development of the local economy and jobs.

Goal 4 – Good Governance

4.1 Ensure long term financial sustainability.

Goal 5 – Our Commitment Values

Accountability - We will be responsible, take ownership of our actions and are committed to good governance, excellence, transparency and advocating for our community.

Communication Implications

Consultation has already been undertaken in development of the plans

Equal Impact Assessment

No Equal Impact Assessment is required

Conclusion

In accordance with Section 108 of the *Local Government Act 2020*, Council must maintain and periodically review a Procurement Policy that complies with legislative requirements and reflects best practice. The existing Policy has undergone a comprehensive review to ensure alignment with legislative obligations, operational requirements, and contemporary procurement standards.

[9731817:48405385_1]

Procurement Policy

1. BACKGROUND

- 1.1 Until 30 June 2021, the legislative requirements relating to procurement were set out in the *Local Government Act 1989* (LGA 1989). Those provisions were, from 1 July 2021, replaced by provisions in the *Local Government Act 2020* (**LGA 2020**).
- 1.2 The specific requirements are now in sections 108 and 109 of the LGA 2020 (see the Attachment).
- 1.3 To summarise:
 - (a) every council must ~~adopt~~ have a ~~new~~ Procurement Policy; ~~by 31 December 2021~~;
 - (b) the Procurement Policy must meet the requirements of the LGA 2020;:-
 - (c) a council must comply with its Procurement Policy; and
 - (d) the Procurement Policy must be reviewed at least every four years.

~~1.4 Compared with the LGA 1989, there are some key differences:~~

- ~~(e) there is no provision for the Minister for Local Government to grant exemptions from tendering requirements.~~
- ~~(f) there is no legislative reference to agency arrangements whereby a council can engage an agent (such as the Municipal Association of Victoria (MAV), Procurement Australia or another council) to act as its agent in conducting a tendering process.~~
- ~~(g) there is, however, provision for collaborative procurement arrangements between councils and with public bodies.~~
- ~~(h) there is no provision to novate contracts (ie: transfer the contract to another contractor if the current contractor is bought out, merged etc); and~~
- ~~(i) apart from the broad legislative provisions, councils are required to establish their own procedures, such as setting the threshold over which proposed contracts are to be the subject of an expression of interest (EOI) or tendering process.~~

2. PURPOSE

- 2.1 The purpose of this Procurement Policy ("**Policy**") is to:
 - (a) set a good governance and compliance direction for Council and Council employees in undertaking procurement;:-
 - (b) establish a procurement framework for Council to achieve value for money and continuous improvement in the provision of services for the community;:-
 - (c) ensure that Council resources are used efficiently and effectively to improve the overall quality of life of people in the local community;:-
 - (d) achieve compliance with relevant legislative requirements;:-

Procurement Policy	This Document is Uncontrolled when Printed		Responsible Officer: CEO
Version: 0.1	Issue Date: 17 November 2021	Next Review: November 2025	Page 5/24

[9731817:48405385_1]

Procurement Policy

- (e) achieve high standards of probity, transparency, accountability and risk management;
- (f) give preference to the procurement of environmentally sustainable goods, services and works;
- (g) ensure all EOI respondents, tenderers, contractors and suppliers are given an equal opportunity to tender or quote;
- (h) give preference to the procurement of goods, services and works from within the municipal district and the region where price, quality, service standards and delivery are comparable to other suppliers; and
- (i) collaborate with other councils and public bodies in the procurement of goods and services.

3. SCOPE

- 3.1 This Policy provides the principles, processes and procedures that will be applied to the purchase of all goods, services and works obtained and/or undertaken by Council.
- 3.2 The Policy applies from when Council has identified a need for procurement of goods, services and works and continues to the delivery of the goods or completion of the ~~works-services~~ or ~~servicesworks~~.

4. APPLICATION

- 4.1 The Policy applies to all Councillors, Council employees and all persons engaged in procurement on Council's behalf, ~~and~~ ~~they~~ they will be accountable for compliance with all relevant legislative requirements and requirements of this Policy.

5. DEFINITIONS

- 5.1 In this Policy, the following terms have the meaning indicated:
 - (a) **collaborative procurement** means procurement resulting from a procurement process involving other councils or public bodies, conducted by or on behalf of Council;
 - (b) **contract sum** means the known or estimated value of the contract (including GST) over the contract term, including:
 - (i) any extension periods;
 - (ii) anticipated contingency allowances or variations; ~~and~~
 - (iii) all other known, anticipated and reasonably foreseeable costs;
 - (c) **corporate social responsibility (CSR)** means when suppliers comply with Council's relevant CSR requirements and/or use their buying power to generate social and environmental value above and beyond the financial value of the goods, services or works being procured;

Version: 0.1	Issue Date: 17 November 2021	Next Review: November 2025	Page 6/24

[9731817:48405385_1]

Procurement Policy

(d) ~~delegated officer means a member of Council staff who has been delegated powers pursuant to section 47 of the LGA 2020;~~

(e) **emergency** means a sudden or unexpected event requiring immediate action, including the occurrence of a natural disaster, flooding or fire event such as flooding or fire at a Council property, the unforeseen cessation of trading of a core service provider, other situation which is liable to constitute an immediate risk to life or property and situations which arise when:

(i) a state of emergency has been declared or a pandemic declaration has been made under the *Public Health and Wellbeing Act 2008*;

(ii) a state of disaster has been declared under the *Emergency Management Act 1986*;

(f) ~~delegated officer means a member of Council staff who has been delegated powers pursuant to section 47 of the LGA 2020;~~

(g) **expression of interest (EOI)** means a publicly advertised process which invites preliminary proposals for a potential contract, and which is followed by a selective tendering process whereby one, some or all of the EOI respondents are invited to submit a tender;

(h) **region** means the area comprising ~~the Council's~~ municipal district ~~of West Wimmera~~ and the adjacent municipal districts; and

(i) **respondent** means an entity which or person ~~which who~~ responds to an EOI.

6. LEGISLATIVE COMPLIANCE STANDARDS

6.1 Council's procurement activities ~~shall will~~ be carried out to the professional standards required by best practice and in compliance with legislative requirements.

7. PROCUREMENT METHODOLOGY

7.1 *Table 1* is a summary of the methodology for procurement at certain threshold levels.

Procurement Threshold (AUS\$ inc of GST)	Procurement Methodology
\$0 to \$3,999 \$0 to \$1,999	<ul style="list-style-type: none"> Obtain at least one (1) verbal or emailed quotation. Raise a purchase order.
\$4,000 to \$19,999 \$2,000 to \$8,000	<ul style="list-style-type: none"> Obtain at least one (1) written or emailed quotation. Raise a purchase order. Quotations must be registered with the Procurement and Contracts Officer.
\$20,000 to \$79,999 \$8,001 to \$25,000	<ul style="list-style-type: none"> Request at least two (2) written or emailed quotations. Raise a purchase order. Quotations must be registered with the Procurement and Contracts Officer.

Procurement Policy	This Document is Uncontrolled when Printed		Responsible Officer: CEO
Version: 0.1	Issue Date: 17 November 2021	Next Review: November 2025	Page 7/24

[9731817:48405385_1]

Procurement Policy

Procurement Threshold (AUS\$ inc of GST)	Procurement Methodology
\$25,001 to \$80,000	<ul style="list-style-type: none"> Request at least three (3) written or emailed quotations. Prepare an evaluation report for approval by the relevant delegated officer. Raise a purchase order. Quotations must be registered with the Procurement and Contracts Officer.
\$80,001 to \$149,999 (Goods & Services) \$80,001 to \$199,999 (Works)	<ul style="list-style-type: none"> Request at least three (3) written or emailed quotations. Prepare an evaluation report for approval by the relevant delegated officer. Raise a purchase order. A formal contract is required. The contract must be registered with the Procurement and Contracts Officer.
\$150,000 plus (Goods & Services) \$200,000 plus (Works)	<ul style="list-style-type: none"> Undertake a publicly advertised EOI or tendering process through Council's e-Procure portal. Prepare an evaluation report for approval by the relevant delegated officer or Council. A formal contract is required. The contract must be registered with the Procurement and Contracts Officer.

7.2 Council's standard methods of procurement include:

- by credit cards and petty cash;
- by purchase orders following a request for quotation process;
- pursuant to a contract following an EOI or public tendering process; or
- pursuant to a contract entered into under a collaborative arrangement.

8. PROCUREMENT UNDER \$150,000 FOR GOODS OR SERVICES OR UNDER \$200,000 FOR WORKS

8.1 At the discretion of the Chief Executive Officer (CEO) or his/her/their delegate, a public tender process may be used for a contract with an expected value of less than \$150,000 (for goods or services) or \$200,000 (for works) if the process will serve Council's best interests and provide a better outcome.

9. PROCUREMENT EQUAL TO OR GREATER THAN \$150,000 FOR GOODS OR SERVICES OR EQUAL TO OR GREATER THAN \$200,000 FOR WORKS

9.1 For all procurements equal to or greater than \$150,000 (for goods or services) or equal to or greater than \$200,000 (for works) for the whole term of the contract, the procurement process will be undertaken by a public tender process in compliance with the LGA 2020 and this Policy, except where:

- Council has resolved that the contract must be entered into because of an emergency;

		Page 8/24

[9731817:48405385_1]

Procurement Policy

(b) the contract is awarded by the CEO pursuant to the provisions of ~~his or her~~their delegation from the Council relating to a state of emergency declared under the *Public Health and Wellbeing Act 2008* or a state of disaster declared under the *Emergency Management Act 1986*;

(c) ~~where~~ there is only one provider for the goods, services or works;

~~(d)~~ the contract results from a collaborative or government panel arrangement;

~~(d)~~(e) the contract is a type of contract that has been exempted by Regulations;

~~(e)~~(f) the expenditure relates to purchases from information technology resellers and software developers (~~E~~eg: for renewal of software licences etc) where there is a sole supplier who holds the intellectual property rights to the software;

~~(f)~~(g) the expenditure is in relation to statutory insurance schemes (eg motor vehicle compulsory third party ~~or~~ WorkCover etc); ~~or~~

~~(h)~~ the acquisition is something of a cultural or artistic nature; ~~or~~

~~(i)~~ exceptional circumstances exist, and the CEO determines that it is in the public interest for Council to engage a provider directly without any further, or any competitive, process being undertaken.

~~(g)~~9.2 If the CEO makes a determination under clause **Error! Reference source not found.** details of the determination and the contract that is subsequently entered into must be provided to Councillors.

9.29.3 Other purchases not subject to quotations or tendering processes include purchases or expenditure in connection with:

(a) electricity, gas, water and telephone services;

(b) superannuation;

(c) taxes and levies;

(d) external (financial) auditors;¹

(e) elections;²

(f) valuations;³

(g) Australia Post services; and

(h) Councillor allowances and reimbursements.

¹ Appointed by the Auditor General.

² The Victorian Electoral Commission is the statutory provider.

³ Valuers are appointed by the Valuer-General.

[9731817:48405385_1]

Procurement Policy

10. EXPRESSIONS OF INTEREST

10.1 An EOI is generally a two-stage process and does not replace the need to call tenders. Following an EOI process, Council may invite one, some or all respondents to submit a tender.

10.2 An EOI is generally structured with the following components:

- (a) overview of requirements~~;~~
- (b) invitation to submit; and
- (c) evaluation criteria.

10.3 An EOI is suited to circumstances where:

- (a) there are likely to be many tenderers~~;~~
- (b) ~~T~~here are unlikely to be suitable tenderers within the local area~~;~~
- (c) ~~In cases where the~~ Council needs to gauge potential tenderers' interest from outside the local area~~;~~
- (d) ~~T~~endering will be costly, or the procurement is complex~~;~~ or
- (e) ~~T~~here is uncertainty as to the interest of suppliers to offer the potential goods or services or to undertake the proposed works.

(f) If there are many multiple submissions, the submissions will be evaluated and submitters/respondents may be asked to submit a tender in a private closed tendering process. If there is only one submission the CEO may, acting under clause 9(i), determine that it is in the public interest to engage that respondent without any further process being undertaken.

11. PROCUREMENTS THROUGH COLLABORATIVE ARRANGEMENTS AND GOVERNMENT PANELS

11.1 Council may procure goods, services or works without undertaking a public tender process through State Purchase Contracts and Whole of Victorian Government Contracts.

11.2 Council may form Panel Contractors for goods, and services and works. It can, notwithstanding anything said in clause 10, form such a contract after conducting an EOI process and without the need to require a submitter to participate in a tender process.

11.3 Should new and suitably qualified and experienced contractors move to the region the Panel Contracts have been entered into area to provide required services, the Council reserve the right to add these contractors to existing pPanel eContracts, providing the Ccontractors meets all Procurement relevant OHS and Environmental requirements.

11.4 Council are not is not Obligated to allocate work to any or use all members of the a Panel Contract.

Commented [Maddocks1]: Council asked the question "Is this legal in Victoria?"
It is – a closed tender process routinely follows an EOI process.

Commented [Maddocks2]: Council asked the question "Is this legal in Victoria?"
It is – Council can, in its Procurement Policy provide for the addition of suppliers to a Panel Contract even though the suppliers did not participate in any prior competitive process.

Procurement Policy	This Document is Uncontrolled when Printed		Responsible Officer: CEO
Version: 0.1	Issue Date: 17 November 2021	Next Review: November 2025	Page 10/24

[9731817:48405385_1]

Procurement Policy

- 11.5 Council may also procure goods, services or works where it enters into an agreement for a public body or a council to act as ~~the its~~ agent ~~for the Council~~ or agent for a group of councils ~~of which Council is one~~ provided that the public body or agent council and the participating councils have similar procurement policies and practices and that the proposed specifications, Conditions of Tender and Conditions of Contract to be used by the public body or agent council are satisfactory ~~to Council~~.

12. PROCUREMENT EXEMPTIONS

~~West Wimmera Shire~~ Council is classified as a remote council. ~~b~~Bearing this in mind, ~~the Council is likely to experience have~~ great difficulty in accessing a variety of services and ~~T~~trades to undertake complete Operational works and or provide services, ~~as well as Community Projects~~.

Accordingly:

- 12.1 ~~S~~should ~~the Council go out to invite~~ tenders and receive no suitable tender submissions, ~~Council it~~ reserves the right to invoke a procurement exemption, provided a suitable contractor that meets all criteria is available to carry out the works or ~~provide the~~ services.
- 12.2 ~~S~~should Council require the services of a contractor that is unique to the ~~are~~region, Council reserves the right to invoke a procurement exemption to procure the services or works; ~~and~~
- 12.3 ~~S~~should ~~the requisite number of quotations not be received requested quotes under the procurement policy be unavailable or prospective~~ contractors ~~are be~~ unwilling to quote (with evidence of requests), Council may award works or services without the minimum number of quotations.

~~12.4~~ Specialist ~~T~~trades that provide unique services or ~~P~~products may ~~also~~ be sourced via a procurement exemption.

13. PROCUREMENT PRINCIPLES

- 13.1 Council will apply the following fundamental best practice principles to every procurement, irrespective of the value and complexity of that procurement:
- (a) value for money;
 - (b) open and fair competition;
 - (c) accountability;
 - (d) risk management; and
 - (e) probity and transparency.

14. EVALUATION CRITERIA

- 14.1 When inviting EOs or tenders, the documentation will be specific to the proposed services, goods or works and will include the evaluation criteria ~~previously which will be~~ determined by the CEO or a Director ~~prior to advertising~~.

Procurement Policy	This Document is Uncontrolled when Printed		Responsible Officer: CEO
Version: 0.1	Issue Date: 17 November 2021	Next Review: November 2025	Page 11/24

[9731817:48405385_1]

Procurement Policy

14.2 The evaluation criteria will generally include:

- (a) mandatory criteria (ie: pass/fail) – Eg:
 - (i) third party accreditation (~~Eg~~: relating to occupational health and safety or quality management);
 - (ii) attendance at a pre-tender briefing; and
- (b) weighted criteria:
 - (i) price;
 - (ii) capacity to meet the requirements of the contract;
 - (iii) relevant experience;
 - (iv) Occupational Health and Safety;
 - (v) Environmental Management;
 - (vi) Sustainable Procurement; and
 - (vii) Corporate Social Responsibility.

14.3 The % age weighting to be applied to the criteria will be determined by the CEO or a Director prior to advertising and will not unless exceptional circumstances exist, be disclosed in the tender documentation.

15. SUPPORT OF LOCAL BUSINESS

15.1 Council is committed to buying from local businesses where such purchases may be justified.

15.2 Wherever practicable, Council will fully examine the benefits available through purchasing goods, services or works from suppliers within the municipal district or the region. Where applicable, Council will endeavour to obtain goods, services and works from contractors where there is scope for an economic contribution to the municipal district or region.

15.3 In this context, Council will have regard to the following principles in its acquisition of goods, services and works:

- (a) encouraging the support of competitive local/regional business and industry.
- (b) the creation of local employment opportunities.
- (c) increased availability of local servicing support.
- (d) increased convenience with communications with the supplier for contract management.
- (e) economic growth within the region.
- (f) the benefit to Council of local commercial transactions; and/or

Procurement Policy	This Document is Uncontrolled when Printed		Responsible Officer: CEO

[9731817:48405385_1]

Procurement Policy

- (g) the short- and long-term impact of the procurement process on local business.

16. SUSTAINABLE PROCUREMENT CONSIDERATIONS

- 16.1 Council is committed to procuring goods, services or works that will deliver value for money and will generate benefits for Council and its community while ~~est~~ reducing damage to the environment and human health.

- 16.2 In its procurement practices, Council will promote and encourage the following environmental, economic and social sustainability considerations:

- (a) minimisation of waste:

- (i) by avoiding or reducing the use of goods, materials, products or services that generate waste; ~~:-~~
- (ii) by re-using goods, products or materials, where possible, to extend their useful lifecycle; ~~:-~~ and
- (iii) by purchasing goods, products or materials that are recycled or are recyclable; ~~:-~~

- (b) subject to the nature of the procurement, Council may apply up to a 10% price preference to those suppliers who demonstrate in their tenders or quotations that their goods, products or materials are either recycled or can be recycled; and.

- (c) promoting and encouraging Council procurement in relation to:

- (i) reduction of greenhouse gas emissions; ~~:-~~
- (ii) maximisation of energy efficiency and improving energy management; ~~:-~~
- (iii) reduction of water consumption and improving water management; and
- (iv) minimisation of nature destruction and pollution.

- 16.3 Subject to the nature of the procurement, Council may procure goods, services or works:

- (a) from local suppliers in order to promote and encourage economic development in the community and foster the relationships with local businesses; ~~:-~~
- (b) from suppliers who will demonstrate innovative or creative approaches to delivering goods, services or works; and
- (c) which will once consideration has been given to the benefits and disadvantages of life cycle costing of goods, services or works (i.e. purchase price, maintenance, operating and disposal costs).

- 16.4 Whenever practicable, Council will give effective and substantial preferences to contracts for the purchase of goods, machinery or material manufactured or produced in Australia.

Procurement Policy	This Document is Uncontrolled when Printed		Responsible Officer: CEO
Version: 0.1	Issue Date: 17 November 2021	Next Review: November 2025	Page 13/24

[9731817:48405385_1]

Procurement Policy

16.5 Subject to the nature of the procurement, Council may procure goods, services or works which will:

- (a) generate employment opportunities in the region;⁴
- (b) promote and encourage social inclusion amongst local residents;
- (c) support and promote gender equality and safety; and
- (d) support and promote businesses operated by First Nations peoples; and
- (e) support and promote safe and fair workplaces.

16.6 A price preference of up to 15% may be applied to potential suppliers who demonstrate in their submissions or quotations one or more of the factors specified in clause **Error! Reference source not found.**

17. PROBITY REQUIREMENTS

17.1 Councillors, Council staff and all persons engaged in procurement on Council's behalf must exercise the highest standards of integrity in a manner able to withstand the closest possible scrutiny. Accordingly, Councillors, Council staff and all persons engaged in procurement on Council's behalf must:

- (a) comply with **all relevant** legal and **Policy** requirements;
- (b) ensure appropriately competitive processes have been used in the procurement process;
- (c) act impartially, fairly and with integrity;
- (d) apply consistent and transparent processes; and
- (e) avoid conflicts of interest and comply with confidentiality requirements.

17.2 In procurement matters, all Council employees and **all** persons engaged in procurement on Council's behalf:

- (a) must complete and lodge a Conflict-of-Interest Declaration and a Confidentiality **Agreement-Deed Poll** if engaged in the evaluation of quotations, EOIs or tenders;
- (b) must disclose a general or material conflict of interest before providing advice or reports or any other matter where it could be perceived that an interest might unduly influence them; and
- (c) who have been delegated Council powers, duties or functions, must not exercise those powers, duties or functions if they have a conflict of interest.

17.3 In procurement matters, all Councillors must:

Commented [Maddocks3]: Does this mean that such documents must be signed every time more than two quotations are received?

⁴ See clause 5.1(g)

Procurement Policy	This Document is Uncontrolled when Printed		Responsible Officer: CEO
Version: 0.1	Issue Date: 17 November 2021	Next Review: November 2025	Page 14/24

[9731817:48405385_1]

Procurement Policy

- (a) avoid conflicts between their public duties as a Councillor and their personal interests and obligations;
- (b) disclose any conflict of interest in accordance with the LGA 2020 ~~any situation where it could be perceived that an interest might unduly influence them~~; and
- (c) not direct or influence a Council employee in the exercise of any power or in the performance of any duty or function.

18. ELECTION PERIOD

- 18.1 Council will comply with the requirements of section 69 (2)(b) of the LGA 2020, which provides that, during the election period, a council cannot commit the council to expenditure exceeding one per cent of the ~~Council's~~ income from general rates, municipal charges and service rates and charges in the preceding financial year.

19. GOVERNMENT FUNDING

- 19.1 Where funding has been sought and received through the State and/or Federal Government to undertake projects, all related expenditure must, unless the conditions of funding provide otherwise, comply with this Policy ~~be incurred following compliance with this Policy~~. This applies to Council projects, delegated committee, community asset committee and advisory committee projects and where Council has sought funding on behalf of a community group.

20. CONTRACT NOVATIONS

- 20.1 In instances where a ~~Council~~ contractor wishes to have the contract novated to another contractor, ~~the~~ Council will:
 - (a) undertake a due diligence in relation to the proposed contractor by obtaining a credit report and/or requesting the proposed contractor's most recent audited financial statements;
 - (b) ensure the proposed contractor can meet all the requirements of the contract, including, but not limited to, insurances and bank guarantees; and
 - (c) if satisfied that the proposed novation is satisfactory, arrange for the relevant parties to execute a Deed of Novation.

21. COUNCIL STAFF – BUSINESS AND PLANT

- 21.1 Councillors and staff who own or have a financial interest in a business may authorise or allow the business to submit an EOI, tender or quotation for goods, services or works however, they must declare the conflict of interest to the CEO in writing or as part of their submission.
- 21.2 Staff who own or have a financial interest in a business may only procure goods and/or services from their own business on behalf of Council with the prior written approval of their supervisor.

22. GIFTS, BENEFITS AND HOSPITALITY

- 22.1 Councillors and Council staff must comply with Council's Gift Policy.

Commented [Maddocks4]: Clause **Error!** Reference source not found. applies to staff. So too does clause **Error! Reference source not found.** Is this intended? Since the two provisions are not aligned. More fundamentally, we question whether cl **Error! Reference source not found.** should remain.

Procurement Policy

22.2 Councillors and Council staff should not visit the premises of a tenderer, contractor, organisation, firm or individual uninvited unless on official business. All business negotiations in accordance with this Policy should, where practicable, be conducted on Council premises.

22.3 Offers of bribes, inducements, commissions or other irregular approaches from organisations or individuals (no matter how limited the evidence available), must be promptly brought to the attention of the CEO.

23. RISK MANAGEMENT AND OCCUPATIONAL HEALTH AND SAFETY

23.1 Council is committed to manage all aspects of its procurement processes in line with its Risk Management Policy and in such way that all risks, including occupational health and safety risk, are identified, analysed, evaluated, treated, monitored and communicated to the standards required by the law, Australian Standards and Council policies and procedures.

23.2 All contractors and service providers must comply with all legislated occupational health and safety requirements. These are mandatory requirements, and non-compliance may lead to termination of the relevant contract. Suppliers must, upon request by Council, provide evidence of accreditation, certification or policy requirements when providing goods, services or works.

24. INTERNAL CONTROL

24.1 Council employees and all persons engaged in procurement on Council's behalf must diligently follow the framework of internal controls over procurement processes in order to ensure:

- (a) more than one person is involved in, and responsible for, each procurement transaction;
- (b) transparency in the procurement process;
- (c) a clearly documented audit trail exists for procurement functions;
- (d) appropriate authorisations are obtained and documented;
- (e) systems are in place for appropriate monitoring and performance measurement;
- (f) all records relevant are maintained in accordance with the *Public Records Act 1973* and;
- (g) information received by Council during a procurement process is to be stored in a secure location. Councillors and Council employees are to must protect such information, by refusing to release:
 - (i) information disclosed by organisations in EOLs, tenders or quotations during the procurement process;
 - (ii) information that is commercial in confidence; and

Procurement Policy	This Document is Uncontrolled when Printed		Responsible Officer: CEO
Version: 0.1	Issue Date: 17 November 2021	Next Review: November 2025	Page 16/24

[9731817:48405385_1]

Procurement Policy

- (iii) pre-contract information including, but not limited to, information provided in quotations, EOI's or tenders or subsequently provided in pre-contract negotiations.

24.2 Notwithstanding clause ~~Error! Reference source not found.~~23(1)(g), Council recognises that procurement documentation may be subject to a freedom of information ~~application request~~ pursuant to the *Freedom of Information Act 1982*.

25. PERFORMANCE MANAGEMENT AND REPORTING

25.1 The CEO must ensure procurement activity is monitored on an ongoing basis and provide as a minimum, an annual report to the Audit and Risk Committee (~~the Committee~~) on:

- (a) procurement activity;
- (b) compliance with this Policy, legislation and key internal controls;
- (c) financial savings;
- (d) opportunities to improve procurement processes;
- (e) evaluation of contractor performance; and
- (f) economic, environmental and social benefits achieved through procurement.

25.2 Procurement activities will be included regularly in the Internal Audit Plan and related internal controls will be audited by the internal auditors and reported to the Committee at a frequency determined by the Committee.

26. COLLABORATIVE PROCUREMENT

26.1 Where practical, Council will collaborate with other councils and public bodies in the procurement of goods or services. This will be achieved by:

- (a) participating in networking opportunities and special interest groups within the region;
- (b) developing partnerships with small rural shires and/or neighbouring councils to facilitate regional training and professional development opportunities; and
- (c) consulting with other councils and public bodies to assess if there is an opportunity for collaborative procurement activities.

Commented [Maddocks5]: Should this extend to works?

27. PURCHASE ORDERS

27.1 Councils preferred method of business is through invoicing of eCouncil for goods and services supplied. It is eCouncil policy that a fully approved purchase order be issued to suppliers of goods and services **PRIOR** to the goods and services being supplied and being invoiced to eCouncil. A purchase order is not required for the procurement of goods and services where a contract or agreement ~~already~~ covers the procurement arrangement. The contract or agreement must be specific in nature and provide a detailed description of goods and/or services to be delivered and a price ~~or cost that is applicable~~.

Procurement Policy	This Document is Uncontrolled when Printed		Responsible Officer: CEO
Version: 0.1	Issue Date: 17 November 2021	Next Review: November 2025	Page 17/24

[9731817:48405385_1]

Procurement Policy

28. CORPORATE CREDIT AND PURCHASE CARDS

- 28.1 Credit and purchase cards must be used in accordance with Council's Credit and Purchase Card procedure.

29. PETTY CASH

- 29.1 Petty cash will be used to purchase small incidental goods or services and/or urgent purchases and is limited to \$50.00 per transaction. A claim for petty cash reimbursement will be authorised by a delegated officer.

30. EOIS & TENDER EVALUATION

- 30.1 Council staff and all persons engaged in procurement on Council's behalf must ensure that:

- EOI and tender evaluations are conducted in accordance with the methodology set out in Council's Procurement Manual ⁵ and EOI or tender documents;
- a tender evaluation panel (TEP) is established to evaluate each tender against the evaluation criteria;
- the composition of the TEP is determined by the CEO, a Director or his or her delegated Manager prior to advertising the EOI or tender;
- the TEP produces a written report of its evaluation and presents its recommendations to the relevant Director; and
- the evaluation process is robust, systematic and unbiased.

- 30.2 At the discretion of the CEO or a Director:

- a TEP may include external personnel for specialised knowledge;
- a probity advisor may be appointed to monitor a procurement process and/or advise the TEP; and
- a probity auditor may be appointed to review a procurement and/or evaluation process for continuous improvement.

31. AWARDING OF CONTRACTS BY COUNCIL

- 31.1 Where it is proposed that a contract be awarded by Council at a Council meeting, the matter will consideration will be given to whether the item of business should be considered "in camera" in accordance with section 663 of the LGA 2020.

32. DELEGATIONS AND AUTHORITY

- 32.1 Council will, in accordance with LGA 2020, maintain a Delegations Register which specifies the level of delegated authority required for approval of a quotation, purchase order, contract, tax invoice and any other expenditure and contractual process for each instance of procurement.

⁵ Being developed/reviewed

Procurement Policy	This Document is Uncontrolled when Printed		Responsible Officer: CEO
Version: 0.1	Issue Date: 17 November 2021	Next Review: November 2025	Page 18/24

[9731817:48405385_1]

Procurement Policy

- 32.2 A delegation for Council employees, except ~~for~~ the CEO, may be amended from time to time at the sole discretion of the CEO. The CEO's delegated authority threshold is set by Council and is included in the Instrument of Delegation from Council to the CEO.

33. EXECUTION OF CONTRACT OR AGREEMENT

- 33.1 The CEO will execute any contract or agreement on behalf of Council provided that:

- (a) the awarding of the contract is within the CEO's financial delegation; or
- (b) Council has, by resolution, awarded the contract.

- 33.2 The CEO may ~~delegate the authorise a Director to execute~~ authorise a Director to execute any contract or agreement ~~to a director~~.

34. CONTRACT MANAGEMENT

- 34.1 The purpose of contract management is to ensure that Council, and where applicable its residents and ratepayers, receive the goods, services or works provided to the required standards of quality and quantity as intended by the contract.

- 34.2 The provision of goods, services and works by contract potentially exposes Council to risk. Council will minimise its risk exposure by measures such as:

- (a) standardising contracts to include current, relevant clauses;
- (b) requiring a contractor to provide evidence of a labour hire licence under the *Labour Hire Licensing Act 2018*;
- (c) ensuring the contract or purchase order reflects the tender pricing;
- (d) requiring security deposits where appropriate;
- (e) requiring evidence of relevant insurance cover;
- (f) referring specifications to relevant experts where appropriate;
- (g) requiring a correctly executed contract before commencement;
- (h) use of or reference to relevant Australian Standards (or equivalent);
- (i) effectively managing contracts including monitoring and enforcing performance; and
- (j) adhering to Council's Risk Management Framework and adhering to relevant occupational health and safety contractor compliance procedures.

35. CONTRACT VARIATIONS

- 35.1 During the course of a contract there may be valid reason(s) for a contract to be varied. Variations often involve a financial cost. All claims for variations must be in writing and approved by the delegated officer. The delegated officer may approve a contract variation subject to:

Procurement Policy	This Document is Uncontrolled when Printed		Responsible Officer: CEO
Version: 0.1	Issue Date: 17 November 2021	Next Review: November 2025	Page 19/24

[9731817:48405385_1]

Procurement Policy

- (a) the contract variation(s) in aggregate not resulting in the estimated contract sum exceeding the financial limit delegated to the position;
- (b) there being a budget allocation; and
- (c) the contract variation being in accordance with this Policy.

35.2 Any cumulative variance for a contract greater than fifteen percent (15%) of the original contract price must be:

~~(d)~~(a) authorised by Council; or

~~(e)~~(b) authorised by the CEO if:

- (i) ~~he or she~~ they considers that the ~~contract services or~~ works need to continue ~~or the goods need to be delivered~~;
- (ii) the variation can be accommodated without a material impact on the Council's budget; and
- (iii) the CEO reports the variation approval to the next available Council meeting.

35.235.3 If there is more than a fifteen percent 15% difference between a regular tax invoice and a purchase order, it must be redirected to the relevant delegated officer for authorisation.

36. GENDER EQUALITY

36.1 Council acknowledges that it must comply with the *Gender Equality Act 2020*, ~~(the GEA)~~, the main purposes of which are to require the public sector, councils and universities:

- (a) to take positive action towards achieving workplace gender equality; and
- (b) to promote gender equality in their policies, programs and services.

36.2 Council also notes that the GEA requires councils to:

- (a) undertake a gender impact assessment when developing or reviewing any policy of, or program or service provided by, the entity that has a direct and significant impact on the public;
- (b) prepare a Gender Equality Action Plan (**GEAP**); and
- (c) undertake a workplace gender audit before developing a GEAP.

36.3 Given the legislative requirements, when advertising relevant tenders, Council will consider the impact of options available to advance gender equality through procurement activity.

36.4 This may include practices to support supplier diversity (e.g: supporting women-led businesses) but also filter categories such as requiring suppliers to be compliant with the *Workplace Gender Equality Act* (Cth) or the GEA or have gender equitable

[9731817:48405385_1]

Procurement Policy

practices in place. As an initial step in the process, Council's Conditions of Tender will be amended to include a questionnaire relating to gender quality.

37. TRAINING AND SKILL DEVELOPMENT

37.1 In order to promote continuous improvement, Council will provide:

- (a) training for the procurement staff and ongoing opportunities to update their skills and knowledge;
- (b) strategic and governance training for the management team about their roles and responsibilities in leading and supporting Council's procurement and governance processes and practices; and
- (c) induction training for new employees which will provide guidance on the Policy and procedures.

38. PROCUREMENT MANUAL

38.1 The CEO will develop and maintain a Procurement Manual which will detail the procedure and processes and provide guidance to Council staff on all operational aspects of procurement.

38.2 The Procurement Manual will support Council in the implementation of the legislative requirements and the requirements of this Policy.

ATTACHMENT

LOCAL GOVERNMENT ACT 2020

PROCUREMENT PROVISIONS

Section 108

(1) A Council must prepare and adopt a Procurement Policy which specifies the principles, processes and procedures applying in respect of the purchase of goods and services by the Council, including for the carrying out of works.

(2) A Procurement Policy must seek to promote open and fair competition and provide value for money.

(3) A Procurement Policy must include the following:

- (a) the contract value above which the Council must invite a tender or seek an expression of interest.
- (b) a description of the criteria to be used by the Council to evaluate whether a proposed contract provides value for money.
- (c) a description of how the Council will seek collaboration with other Councils and public bodies in the procurement of goods or services.
- (d) the conditions under which the Council may purchase goods or services without inviting a public tender or expression of interest.
- (e) a description of the process to be undertaken in inviting a public tender or expression of interest; and
- (f) any other matters prescribed by the Regulations.

(4) The contract value to be included in a Procurement Policy in accordance with subsection (3)(a) must not exceed the value prescribed by the regulations for the purposes of this section.

(5) A Council must review its Procurement Policy at least once during each 4-year term of the Council.

(6) A Council must adopt the first Procurement Policy under this section within 6 months of the commencement of this section.

(7) Until a Council adopts a Procurement Policy under this section:

- (a) the procurement policy approved by the Council under section 186A of the *Local Government Act* 1989 which is in effect before the commencement of this section applies as if the procurement policy had been adopted under this section; and
- (b) the restrictions on the power of a Council to enter into a contract under sections 186 and 186A of the *Local Government Act* 1989 as in force before the commencement of this section continue to apply as if those sections had not been repealed.

Section 109

(1) A Council must comply with its Procurement Policy before entering into a contract for the purchase of goods or services or the carrying out of works.

(2) The Chief Executive Officer must ensure that any report to the Council that recommends entering into a procurement agreement includes information in relation to any opportunities for collaboration with other Councils or public bodies which may be available

Procurement Policy

1. BACKGROUND

- 1.1 The legislative requirements relating to procurement were previously set out in the *Local Government Act 1989* (LGA 1989).
- 1.2 These provisions were replaced on 1 July 2021 by sections 108 and 109 of the *Local Government Act 2020* (LGA 2020) (see Attachment A).
- 1.3 In summary:
 - (a) every council must have a Procurement Policy.
 - (b) the Procurement Policy must meet the requirements of the LGA 2020.
 - (c) a council must comply with its Procurement Policy; and
 - (d) the Procurement Policy must be reviewed at least every four years.

2. PURPOSE

- 2.1 The purpose of this Procurement Policy (**Policy**) is to:
 - (a) set a good governance and compliance direction for Council and Council employees in undertaking procurement.
 - (b) establish a procurement framework for Council to achieve value for money and continuous improvement in the provision of services for the community.
 - (c) ensure that Council resources are used efficiently and effectively to improve the overall quality of life of people in the local community.
 - (d) achieve compliance with relevant legislative requirements.
 - (e) achieve high standards of probity, transparency, accountability and risk management.
 - (f) give preference to the procurement of environmentally sustainable goods, services and works.
 - (g) ensure all EOI respondents, tenderers, contractors and suppliers are given an equal opportunity to tender or quote.
 - (h) give preference to the procurement of goods, services and works from within the municipal district and the region where price, quality, service standards and delivery are comparable to other suppliers; and
 - (i) collaborate with other councils and public bodies in the procurement of goods and services.

3. SCOPE

- 3.1 This Policy provides the principles, processes and procedures that will be applied to the purchase of all goods, services and works obtained and/or undertaken by Council.

Procurement Policy	This Document is Uncontrolled when Printed		Responsible Officer: CEO
Version: 1.6	Issue Date: [##INSERT DATE##]	Next Review: October 2029	Page 4/24

[9731817:48455129_1]

Procurement Policy

- 3.2 The Policy applies from when Council has identified a need for procurement of goods, services and works and continues to the delivery of the goods or completion of the services or works.

4. APPLICATION

- 4.1 The Policy applies to all Councillors, Council employees and all persons engaged in procurement on Council's behalf. They will be accountable for compliance with all relevant legislative requirements and requirements of this Policy.

5. DEFINITIONS

- 5.1 In this Policy, the following terms have the meaning indicated:
- (a) **collaborative procurement** means procurement resulting from a procurement process involving other councils or public bodies, conducted by or on behalf of Council.
 - (b) **contract sum** means the known or estimated value of the contract (including GST) over the contract term, including:
 - (i) any extension periods.
 - (ii) anticipated contingency allowances or variations; and
 - (iii) all other known, anticipated and reasonably foreseeable costs.
 - (c) **corporate social responsibility (CSR)** means when suppliers comply with Council's relevant CSR requirements and/or use their buying power to generate social and environmental value above and beyond the financial value of the goods, services or works being procured.
 - (d) **delegated officer** means a member of Council staff who has been delegated powers pursuant to section 47 of the LGA 2020.
 - (e) **emergency** means a sudden or unexpected event requiring immediate action, including the occurrence of a natural disaster, flooding or fire event such as flooding or fire at a Council property, the unforeseen cessation of trading of a core service provider, other situation which is liable to constitute an immediate risk to life or property and situations which arise when:
 - (i) a state of emergency has been declared, or a pandemic declaration has been made under the *Public Health and Wellbeing Act 2008*.
 - (ii) a state of disaster has been declared under the *Emergency Management Act 1986*.
 - (f) **expression of interest (EOI)** means a publicly advertised process which invites preliminary proposals for a potential contract, and which is followed by a selective tendering process whereby one, some or all of the EOI respondents are invited to submit a tender.

Procurement Policy	This Document is Uncontrolled when Printed		Responsible Officer: CEO
Version: 1.6	Issue Date: [##INSERT DATE##]	Next Review: October 2029	Page 5/24

[9731817:48455129_1]

Procurement Policy

- (g) **Indigenous Business** means a business that is at least 50% owned by Aboriginal and/or Torres Strait Islander person(s).

Within the context of the West Wimmera Shire, this includes:

- Businesses owned by individuals from the Wotjobaluk, Jaadwa, Jadawadjali, Wergaia and Jupagulk (WJJWJ) Peoples.
 - Businesses owned and operated by the Barengi Gadjin Land Council (BGLC).
 - Businesses based in West Wimmera Shire that can be verified as at least 50% Aboriginal-owned. Verification may be based on:
 - Advice from the Barengi Gadjin Land Council (BGLC),
 - Listings in the Kinaway Aboriginal Business Directory, and/or
 - Listings in the Supply Nation Indigenous Business Direct portal.
- (h) **local business** means a commercial business with an operational premises that is physically located within the municipal borders.
- (i) **region** means the area comprising Council's municipal district and the adjacent municipal districts; and
- (j) **respondent** means an entity which or person who responds to an EOI.

6. LEGISLATIVE COMPLIANCE STANDARDS

- 6.1 Council's procurement activities will be carried out to the professional standards required by best practice and in compliance with legislative requirements.

7. PROCUREMENT METHODOLOGY

- 7.1 *Table 1* is a summary of the methodology for procurement at certain threshold levels.

Procurement Threshold (AUS\$ exclusive of GST)	Procurement Methodology
\$0 to \$3,999	<ul style="list-style-type: none"> Obtain at least one (1) verbal or emailed quotation. Raise a purchase order.
\$4,000 to \$19,999	<ul style="list-style-type: none"> Obtain at least one (1) written or emailed quotation. Raise a purchase order. Quotations must be retained within each department, in line with Council's procurement record-keeping and audit requirements.
\$20,000 to \$79,999	<ul style="list-style-type: none"> Request at least two (2) written or emailed quotations.

Procurement Policy	This Document is Uncontrolled when Printed	Responsible Officer: CEO
Version: 1.6	Issue Date: [##INSERT DATE##]	Next Review: October 2029 Page 6/24

[9731817:48455129_1]

Procurement Policy

Procurement Threshold (AUS\$ exclusive of GST)	Procurement Methodology
	<ul style="list-style-type: none"> Raise a purchase order. Quotations must be retained within each department, in line with Council's procurement record-keeping and audit requirements
\$80,000 to \$199,999 (Goods, Services or Works)	<ul style="list-style-type: none"> Request at least three (3) written or emailed quotations. Prepare an evaluation report for approval by the relevant delegated officer. Raise a purchase order. A formal contract is required. The contract must be registered in the contracts register in line with Council's procurement record-keeping and audit requirements.
\$200,000 plus (Goods, Services or Works)	<ul style="list-style-type: none"> Undertake a publicly advertised EOI or tendering process through Council's e-Procure portal. Prepare an evaluation report for approval by the relevant delegated officer or Council. A formal contract is required. The contract must be registered in the contracts register in line with Council's procurement record-keeping and audit requirements.

7.2 Council's standard methods of procurement include:

- by credit card or petty cash, for low-value purchases in accordance with Council's financial delegations and procedures.
- by purchase order following a request for quotation process, where appropriate based on procurement thresholds and risk.
- pursuant to a contract entered following an expression of interest (EOI) or public tendering process conducted by Council; or
- pursuant to a contract entered under a collaborative or third-party procurement arrangement, including but not limited to those established by the Municipal Association of Victoria (MAV), Procurement Australasia, or the Department of Treasury and Cabinet (DTC), where the market has already been appropriately tested and compliance with the LGA 2020 is assured. In such cases, Council is not required to conduct a separate procurement process.

8. PROCUREMENT UNDER \$200,000 FOR GOODS, SERVICES OR WORKS

- At the discretion of the Chief Executive Officer (CEO) or their delegate, a public tender process may be used for a contract with an expected value of less than \$200,000 if the process will serve Council's best interests and provide a better outcome.

Procurement Policy	This Document is Uncontrolled when Printed		Responsible Officer: CEO
Version: 1.6	Issue Date: [##INSERT DATE##]	Next Review: October 2029	Page 7/24

[9731817:48455129_1]

Procurement Policy

9. PROCUREMENT EQUAL TO OR GREATER THAN \$200,000 FOR GOODS, SERVICES OR WORKS

9.1 For all procurements equal to or greater than \$200,000 for the whole term of the contract, the procurement process will be undertaken by a public tender process in compliance with the LGA 2020 and this Policy, except where:

- (a) Council has resolved that the contract must be entered into because of an emergency.
- (b) the contract is awarded by the CEO pursuant to the provisions of their delegation from the Council relating to a state of emergency declared under the *Public Health and Wellbeing Act 2008* or a state of disaster declared under the *Emergency Management Act 1986*.
- (c) there is only one provider for the goods, services or works.
- (d) the contract results from a collaborative or government panel arrangement.
- (e) the contract is a type of contract that has been exempted by Regulations.
- (f) the expenditure relates to purchases from information technology resellers and software developers (e.g.: for renewal of software licences etc) where there is a sole supplier who holds the intellectual property rights to the software.
- (g) the expenditure is in relation to statutory insurance schemes (e.g. motor vehicle compulsory third party or Workcover etc).
- (h) the acquisition is something of a cultural or artistic nature; or
- (i) exceptional circumstances exist, and the CEO determines that it is in the public interest for Council to engage a provider directly without any further, or any competitive, process being undertaken.

9.2 If the CEO makes a determination under clause 9.1(i), details of the determination and the contract that is subsequently entered into must be provided to Councillors.

9.3 Other purchases not subject to quotations or tendering processes include purchases or expenditure in connection with:

- (a) electricity, gas, water and telephone services.
- (b) superannuation.
- (c) taxes and levies.
- (d) external (financial) auditors;¹
- (e) elections;²

¹ Appointed by the Auditor General.

² The Victorian Electoral Commission is the statutory provider.

Procurement Policy	This Document is Uncontrolled when Printed		Responsible Officer: CEO

[9731817:48455129_1]

Procurement Policy

- (f) valuations;³
- (g) Australia Post services; and
- (h) Councillor allowances and reimbursements.

10. EXPRESSIONS OF INTEREST

- 10.1 An EOI is generally a two-stage process and does not replace the need to call tenders. Following an EOI process, Council may invite one, some or all respondents to submit a tender.
- 10.2 An EOI is generally structured with the following components:
- (a) overview of requirements.
 - (b) invitation to submit; and
 - (c) evaluation criteria.
- 10.3 An EOI is suited to circumstances where:
- (a) there are likely to be many tenderers.
 - (b) there are unlikely to be suitable tenderers within the local area.
 - (c) Council needs to gauge potential tenderer interest from outside the local area.
 - (d) tendering will be costly, or the procurement is complex; or
 - (e) there is uncertainty as to the interest of suppliers to offer the potential goods or services or to undertake the proposed works.

If there are multiple submissions, the submissions will be evaluated and respondents may be asked to submit a tender in a closed tendering process. If there is only one submission the CEO may, acting under clause 9(i), determine that it is in the public interest to engage that respondent without any further process being undertaken.

11. PROCUREMENTS THROUGH COLLABORATIVE ARRANGEMENTS AND PANELS

- 11.1 Council may procure goods, services or works without undertaking a public tender process through State Purchase Contracts and Whole of Victorian Government Contracts.
- 11.2 Council may form Panel Contracts for goods, services and works. It can, notwithstanding anything said in clause 10, form such a contract after conducting an EOI process and without the need to require a submitter to participate in a tender process.

³ Valuers are appointed by the Valuer-General.

Procurement Policy	This Document is Uncontrolled when Printed		Responsible Officer: CEO
Version: 1.6	Issue Date: [##INSERT DATE##]	Next Review: October 2029	Page 9/24

Procurement Policy

- 11.3 Should new and suitably qualified and experienced contractors move to the region once the Panel Contracts have been entered into, Council reserve the right to add these contractors to existing Panel Contracts, providing the contractors meet relevant insurance, OHS and Environmental requirements.
- 11.4 Council is not obliged to allocate work to any or all members of a Panel Contract.
- 11.5 Council may also procure goods, services or works where it enters into an agreement for a public body or a council to act as its agent or agent for a group of councils of which Council is one provided that the public body or agent council and the participating councils have similar procurement policies and practices and that the proposed specifications, Conditions of Tender and Conditions of Contract to be used by the public body or agent council are satisfactory to Council.

12. PROCUREMENT EXEMPTIONS

Council is classified as a remote council. Bearing this in mind, Council is likely to experience great difficulty in accessing a variety of services and trades to undertake works or provide services.

Accordingly:

- 12.1 should Council invite tenders and receive no suitable tender submissions, it reserves the right to invoke a procurement exemption, provided a suitable contractor that meets all criteria is available to carry out the works or provide the services.
- 12.2 should Council require the services of a contractor that is unique to the region, Council reserves the right to invoke a procurement exemption to procure the services or works; and
- 12.3 should the requisite number of quotations not be received or prospective contractors be unwilling to quote (with evidence of requests), Council may award works or services without the minimum number of quotations.

Specialist trades that provide unique services or products may also be sourced via a procurement exemption.

13. PROCUREMENT PRINCIPLES

- 13.1 Council will apply the following fundamental best practice principles to every procurement, irrespective of the value and complexity of that procurement:
- (a) value for money
 - (b) open and fair competition
 - (c) accountability
 - (d) risk management
 - (e) probity and transparency; and

Procurement Policy	This Document is Uncontrolled when Printed		Responsible Officer: CEO
Version: 1.6	Issue Date: [##INSERT DATE##]	Next Review: October 2029	Page 10/24

[9731817:48455129_1]

Procurement Policy

- (f) support of local business.

14. EVALUATION CRITERIA

- 14.1 When inviting EOIs or tenders, the documentation will be specific to the proposed services, goods or works and will include the evaluation criteria previously determined by the CEO or a Director.
- 14.2 The evaluation criteria will generally include:
- (a) mandatory criteria (i.e.: pass/fail) – E.g.:
 - (i) third party accreditation (e.g.: relating to occupational health and safety or quality management).
 - (ii) attendance at a pre-tender briefing; and
 - (b) weighted criteria:
 - (i) price.
 - (ii) capacity to meet the requirements of the contract.
 - (iii) relevant experience.
 - (iv) occupational Health and Safety.
 - (v) environmental management.
 - (vi) sustainable procurement; and
 - (vii) support of local business
- 14.3 The percentage (%) weighting to be applied to each criterion will be determined by the CEO or a Director prior to advertising and will not, unless exceptional circumstances exist, be disclosed in the tender documentation.

15. SUPPORT OF LOCAL BUSINESS

- 15.1 Council is committed to supporting local businesses and maximising economic and social benefits within the municipal district and the broader region, where such purchases are justified and consistent with achieving value for money.
- 15.2 Wherever practicable, Council will actively consider the advantages of procuring goods, services, or works from suppliers located within the municipal district or region. Council will also consider the broader economic contribution a supplier can make to the community, including employment, supply chain engagement, and skills development.

Procurement Policy	This Document is Uncontrolled when Printed		Responsible Officer: CEO
Version: 1.6	Issue Date: [##INSERT DATE##]	Next Review: October 2029	Page 11/24

[9731817:48455129_1]

Procurement Policy

15.3 In this context, Council will have regard to the following principles when acquiring goods, services or works:

- (a) encouraging the support of competitive local/regional business and industry.
- (b) fostering the creation of local employment opportunities.
- (c) ensuring the availability of local servicing and support.
- (d) improving communication and responsiveness through proximity to the municipality.
- (e) supporting economic growth within the region.
- (f) benefiting from the efficiencies of local commercial transactions; and
- (g) recognising the short, and long-term impact, of procurement decisions on the local economy and business sustainability.

15.4 To operationalise this commitment, the following social and local benefit weightings will apply to procurement evaluations, in addition to standard value-for-money assessments:

- (a) An additional 5% weighting will be applied if the contractor is a local resident or business based in the municipal district.
- (b) An additional 5% weighting will be applied if the contractor can demonstrate clear, measurable local economic or social benefits, such as local employment, training, or subcontracting.
- (c) An additional 5% weighting will be applied if the contractor is Indigenous-owned or qualifies as an Aboriginal and Torres Strait Islander business. Wherever possible, preference should be given to Indigenous businesses owned or operated by Wotjobaluk, Jaadwa, Jadawadjali, Wergaia and Jupagulk (WJJWJ) Peoples for projects located within their registered land area.

15.5 These weightings will be clearly defined in tender documentation where applicable and must be applied in a manner consistent with the principles of fairness, equity, and transparency.

16. SUSTAINABLE PROCUREMENT CONSIDERATIONS

16.1 Council is committed to procuring goods, services or works that will deliver value for money and will generate benefits for Council and its community while reducing damage to the environment and human health.

16.2 In its procurement practices, Council will promote and encourage the following environmental, economic and social sustainability considerations:

- (a) minimisation of waste:
 - (i) by avoiding or reducing the use of goods, materials, products or services that generate waste.

Procurement Policy	This Document is Uncontrolled when Printed		Responsible Officer: CEO
Version: 1.6	Issue Date: [##INSERT DATE##]	Next Review: October 2029	Page 12/24

[9731817:48455129_1]

Procurement Policy

- (ii) by re-using goods, products or materials, where possible, to extend their useful lifecycle; and
 - (iii) by purchasing goods, products or materials that are recycled or are recyclable.
 - (b) subject to the nature of the procurement, Council may apply up to a 10% price preference to those suppliers who demonstrate in their tenders or quotations that their goods, products or materials are either recycled or can be recycled; and
 - (c) promoting and encouraging Council procurement in relation to:
 - (i) reduction of greenhouse gas emissions.
 - (ii) maximisation of energy efficiency and improving energy management.
 - (iii) reduction of water consumption and improving water management; and
 - (iv) minimisation of nature destruction and pollution.
- 16.3 Subject to the nature of the procurement, Council may procure goods, services or works:
- (a) from local suppliers in order to promote and encourage economic development in the community and foster the relationships with local businesses.
 - (b) from suppliers who will demonstrate innovative or creative approaches to delivering goods, services or works; and
 - (c) once consideration has been given to the benefits and disadvantages of life cycle costing of goods, services or works (i.e. purchase price, maintenance, operating and disposal costs).
- 16.4 Whenever practicable, Council will give effective and substantial preferences to contracts for the purchase of goods, machinery or material manufactured or produced in Australia.

17. PROBITY REQUIREMENTS

- 17.1 Councillors, Council staff and all persons engaged in procurement on Council's behalf must exercise the highest standards of integrity in a manner able to withstand the closest possible scrutiny. Accordingly, Councillors, Council staff and all persons engaged in procurement on Council's behalf must:
- (a) comply with all relevant legal requirements.
 - (b) ensure appropriately competitive processes have been used in the procurement process.
 - (c) act impartially, fairly and with integrity.
 - (d) apply consistent and transparent processes; and

Procurement Policy	This Document is Uncontrolled when Printed		Responsible Officer: CEO
Version: 1.6	Issue Date: [##INSERT DATE##]	Next Review: October 2029	Page 13/24

[9731817:48455129_1]

Procurement Policy

- (e) avoid conflicts of interest and comply with confidentiality requirements.

17.2 In procurement matters, all Council employees and persons engaged in procurement on Council's behalf:

- (a) must complete and lodge a Conflict-of-Interest Declaration and a Confidentiality Deed Poll if engaged in the evaluation of quotations, EOIs or tenders;
- (b) must disclose a general or material conflict of interest before providing advice or reports or any other matter where it could be perceived that an interest might unduly influence them; and
- (c) who have been delegated Council powers, duties or functions, must not exercise those powers, duties or functions if they have a conflict of interest.

17.3 In procurement matters, all Councillors must:

- (a) avoid conflicts between their public duties as a Councillor and their personal interests and obligations.
- (b) disclose any conflict of interest in accordance with the LGA 2020; and
- (c) not direct or influence a Council employee in the exercise of any power or in the performance of any duty or function.

18. ELECTION PERIOD

18.1 Council will comply with the requirements of section 69 (2)(b) of the LGA 2020, which provides that, during the election period, a council cannot commit the council to expenditure exceeding one per cent of the council's income from general rates, municipal charges and service rates and charges in the preceding financial year.

19. GOVERNMENT FUNDING

19.1 Where funding has been sought and received through the State and/or Federal Government to undertake projects, all related expenditure must, unless the conditions of funding provide otherwise, be incurred following compliance with this Policy. This applies to Council projects, delegated committee, community asset committee and advisory committee projects and where Council has sought funding on behalf of a community group.

20. CONTRACT NOVATIONS

20.1 In instances where a contractor wishes to have the contract novated to another contractor, Council will:

- (a) undertake a due diligence in relation to the proposed contractor by obtaining a credit report and/or requesting the proposed contractor's most recent audited financial statements.
- (b) ensure the proposed contractor can meet all the requirements of the contract, including, but not limited to, insurances and bank guarantees; and

Procurement Policy	This Document is Uncontrolled when Printed		Responsible Officer: CEO
Version: 1.6	Issue Date: [##INSERT DATE##]	Next Review: October 2029	Page 14/24

[9731817:48455129_1]

Procurement Policy

- (c) if satisfied that the proposed novation is satisfactory, arrange for the relevant parties to execute a Deed of Novation.

21. COUNCIL STAFF – BUSINESS AND PLANT

- 21.1 Councillors and staff who own or have a financial interest in a business may authorise or allow the business to submit an EOI, tender or quotation for goods, services or works but must declare a conflict of interest to the CEO in writing or as part of their submission.
- 21.2 Staff must not be involved in any procurement process where they, or a close associate, have a direct or indirect financial interest in a supplier or prospective supplier.
- 21.3 If a staff member owns, operates, or has a financial interest in a business, they must declare this interest in accordance with Council's Conflict of Interest Policy. Procurement from such a business on behalf of Council may only occur in exceptional circumstances, and only with:
- (a) prior written approval from a Director (or the Chief Executive Officer if the staff member reports to a Director),
 - (b) documented evidence that the procurement offers demonstrable value for money and meets all procurement requirements, and
 - (c) full disclosure recorded in the procurement documentation.

22. GIFTS, BENEFITS AND HOSPITALITY

- 22.1 Councillors and Council staff must comply with Council's Gift Policy.
- 22.2 Councillors and Council staff must not visit the premises of a tenderer, contractor, or supplier unless invited and the visit is part of official Council business. Wherever practicable, all business negotiations and meetings relating to procurement should be conducted on Council premises or through formally approved channels..
- 22.3 Offers of bribes, inducements, commissions or other irregular approaches from organisations or individuals (no matter how limited the evidence available) must be promptly brought to the attention of the CEO.

23. RISK MANAGEMENT AND OCCUPATIONAL HEALTH AND SAFETY

- 23.1 Council is committed to manage all aspects of its procurement processes in line with its Risk Management Policy and in such way that all risks, including occupational health and safety risk, are identified, analysed, evaluated, treated, monitored and communicated to the standards required by the law, Australian Standards and Council policies and procedures.
- 23.2 All contractors and service providers must comply with all legislated occupational health and safety requirements. These are mandatory requirements, and non-compliance may lead to termination of the relevant contract. Suppliers must, upon

Version: 1.6	Issue Date: [##INSERT DATE##]	Next Review: October 2029	Page 15/24

[9731817:48455129_1]

Procurement Policy

request by Council, provide evidence of accreditation, certification or policy requirements when providing goods, services or works.

24. INTERNAL CONTROL

24.1 Council employees and all persons engaged in procurement on Council's behalf must diligently follow the framework of internal controls over procurement processes in order to ensure:

- (a) more than one person is involved in, and responsible for, each procurement transaction.
- (b) transparency in the procurement process.
- (c) a clearly documented audit trail exists for procurement functions.
- (d) appropriate authorisations are obtained and documented.
- (e) systems are in place for appropriate monitoring and performance measurement.
- (f) all records relevant are maintained in accordance with the *Public Records Act* 1973; and
- (g) information received by Council during a procurement process is stored in a secure location. Councillors and Council employees must protect such information, by refusing to release:
 - (i) information disclosed by organisations in EOIs, tenders or quotations during the procurement process.
 - (ii) information that is commercial in confidence; and
 - (iii) pre-contract information including, but not limited to, information provided in quotations, EOIs or tenders or subsequently provided in pre-contract negotiations.

24.2 Notwithstanding clause 24.1(g), Council recognises that procurement documentation may be subject to a freedom of information request pursuant to the *Freedom of Information Act* 1982.

25. PERFORMANCE MANAGEMENT AND REPORTING

25.1 The CEO must ensure procurement activity is monitored on an ongoing basis and provide as a minimum, an annual report to the Audit and Risk Committee (**the Committee**) on:

- (a) procurement activity.
- (b) compliance with this Policy, legislation and key internal controls.
- (c) financial savings.
- (d) opportunities to improve procurement processes.
- (e) evaluation of contractor performance; and

Procurement Policy	This Document is Uncontrolled when Printed		Responsible Officer: CEO
Version: 1.6	Issue Date: [##INSERT DATE##]	Next Review: October 2029	Page 16/24

[9731817:48455129_1]

Procurement Policy

- (f) economic, environmental and social benefits achieved through procurement.

25.2 Procurement activities will be included regularly in the Internal Audit Plan and related internal controls will be audited by the internal auditors and reported to the Committee at a frequency determined by the Committee.

26. COLLABORATIVE PROCUREMENT

26.1 Where practical, Council will collaborate with other councils and public bodies in the procurement of goods or services. This will be achieved by:

- (a) participating in networking opportunities and special interest groups within the region.
- (b) developing partnerships with small rural shires and/or neighbouring councils to facilitate regional training and professional development opportunities; and
- (c) consulting with other councils and public bodies to assess if there is an opportunity for collaborative procurement activities.

27. PURCHASE ORDERS

27.1 Councils preferred method of business is through invoicing of Council for goods and services supplied. It is Council policy that a fully approved purchase order be issued to suppliers of goods and services **PRIOR** to the goods and services being supplied and being invoiced to Council.

27.2 A purchase order is not required for the procurement of goods and services where a contract or agreement already covers the procurement arrangement. The contract or agreement must be specific in nature and provide a detailed description of goods and/or services to be delivered and a price or cost that is applicable.

28. CORPORATE CREDIT AND PURCHASE CARDS

28.1 Credit and purchase cards must be used in accordance with Council's Credit and Purchase Card procedure.

29. PETTY CASH

29.1 Petty cash will be used to purchase small incidental goods or services and/or urgent purchases and is limited to \$50.00 per transaction. A claim for petty cash reimbursement will be authorised by a delegated officer.

30. EXPRESSIONS OF INTEREST (EOI'S) & TENDER EVALUATIONS

30.1 Council staff and all persons engaged in procurement on Council's behalf must ensure that:

- (a) EOI and tender evaluations are conducted in accordance with the methodology set out in Council's Procurement Manual ⁴ and EOI or tender documents.

⁴ Being developed/reviewed

Procurement Policy	This Document is Uncontrolled when Printed		Responsible Officer: CEO
Version: 1.6	Issue Date: [##INSERT DATE##]	Next Review: October 2029	Page 17/24

Procurement Policy

- (b) a tender evaluation panel (TEP) is established to evaluate each tender against the evaluation criteria.
- (c) the composition of the TEP is determined by the CEO, a Director or their delegated Manager prior to advertising the EOI or tender.
- (d) the TEP produces a written report of its evaluation and presents its recommendations to the relevant Director; and
- (e) the evaluation process is robust, systematic and unbiased.

30.2 At the discretion of the CEO or a Director:

- (a) a TEP may include external personnel for specialised knowledge.
- (b) a probity advisor may be appointed to monitor a procurement process and/or advise the TEP; and
- (c) a probity auditor may be appointed to review a procurement and/or evaluation process for continuous improvement.

31. AWARDING OF CONTRACTS BY COUNCIL

31.1 Where it is proposed that a contract be awarded by Council at a Council meeting, consideration will be given to whether the item of business should be considered “in camera” in accordance with section 66 of the LGA 2020.

32. DELEGATIONS AND AUTHORITY

- 32.1 Council will, in accordance with LGA 2020, maintain a Delegations Register which specifies the level of delegated authority required for approval of a quotation, purchase order, contract, tax invoice and any other expenditure and contractual process for each instance of procurement.
- 32.2 A delegation for Council employees, except for the CEO, may be amended from time to time at the sole discretion of the CEO. The CEO's delegated authority threshold is set by Council and is included in the Instrument of Delegation from Council to the CEO.

33. EXECUTION OF CONTRACT OR AGREEMENT

- 33.1 The CEO will execute any contract or agreement on behalf of Council provided that:
 - (a) the awarding of the contract is within the CEO's financial delegation; or
 - (b) Council has, by resolution, awarded the contract.
- 33.2 The CEO may authorise a Director to execute any contract or agreement.

34. CONTRACT MANAGEMENT

34.1 The purpose of contract management is to ensure that Council, and where applicable its residents and ratepayers, receive the goods, services or works provided to the required standards of quality and quantity as intended by the contract.

Procurement Policy	This Document is Uncontrolled when Printed		Responsible Officer: CEO
Version: 1.6	Issue Date: [##INSERT DATE##]	Next Review: October 2029	Page 18/24

[9731817:48455129_1]

Procurement Policy

34.2 The provision of goods, services and works by contract potentially exposes Council to risk. Council will minimise its risk exposure by measures such as:

- (a) standardising contracts to include current, relevant clauses.
- (b) requiring a contractor to provide evidence of a labour hire licence under the *Labour Hire Licensing Act 2018*.
- (c) ensuring the contract or purchase order reflects the tender pricing.
- (d) requiring security deposits where appropriate.
- (e) requiring evidence of relevant insurance cover.
- (f) referring specifications to relevant experts where appropriate.
- (g) requiring a correctly executed contract before commencement.
- (h) use of or reference to relevant Australian Standards (or equivalent).
- (i) effectively managing contracts including monitoring and enforcing performance; and
- (j) adhering to Council's Risk Management Framework and adhering to relevant occupational health and safety contractor compliance procedures.

35. CONTRACT VARIATIONS

35.1 During the course of a contract there may be valid reason(s) for a contract to be varied. Variations often involve a financial cost. All claims for variations must be in writing and approved by the delegated officer. The delegated officer may approve a contract variation subject to:

- (a) the contract variation(s) in aggregate not resulting in the estimated contract sum exceeding the financial limit delegated to the position.
- (b) there being a budget allocation; and
- (c) the contract variation being in accordance with this Policy.

35.2 Any cumulative variance for a contract greater than fifteen percent (15%) of the original contract price must be:

- (a) authorised by Council; or
- (b) authorised by the CEO if:
 - (i) they consider that the works need to continue, or the goods need to be delivered.
 - (ii) the variation can be accommodated without a material impact on Council's budget; and

Procurement Policy	This Document is Uncontrolled when Printed		Responsible Officer: CEO
Version: 1.6	Issue Date: [##INSERT DATE##]	Next Review: October 2029	Page 19/24

[9731817:48455129_1]

Procurement Policy

- (iii) the CEO reports the variation approval to the next available Council meeting.

35.3 If there is more than a fifteen percent 15% difference between a regular tax invoice and a purchase order, it must be redirected to the relevant delegated officer for authorisation.

36. GENDER EQUALITY

36.1 Council acknowledges that it must comply with the *Gender Equality Act 2020 (the GEA)*, the main purposes of which are to require the public sector, councils and universities:

- (a) to take positive action towards achieving workplace gender equality; and
- (b) to promote gender equality in their policies, programs and services.

36.2 Council also notes that the GEA requires councils to:

- (a) undertake a gender impact assessment when developing or reviewing any policy of, or program or service provided by, the entity that has a direct and significant impact on the public.
- (b) prepare a Gender Equality Action Plan (**GEAP**); and
- (c) undertake a workplace gender audit before developing a GEAP.

36.3 Given the legislative requirements, when advertising relevant tenders, Council will consider the impact of options available to advance gender equality through procurement activity.

36.4 This may include practices to support supplier diversity (e.g.: supporting women-led businesses) but also filter categories such as requiring suppliers to be compliant with the Federal Govt's *Workplace Gender Equality Act 2012* or the GEA or have gender equitable practices in place. As an initial step in the process, Council's Conditions of Tender will be amended to include a questionnaire relating to gender equality.

37. TRAINING AND SKILL DEVELOPMENT

37.1 In order to promote continuous improvement, Council will provide:

- (a) training for the procurement staff and ongoing opportunities to update their skills and knowledge.
- (b) strategic and governance training for the management team about their roles and responsibilities in leading and supporting Council's procurement and governance processes and practices; and
- (c) induction training for new employees which will provide guidance on the Policy and procedures.

[9731817:48455129_1]

Procurement Policy

38. PROCUREMENT MANUAL

- 38.1 The CEO will develop and maintain a Procurement Manual which will detail the procedure and processes and provide guidance to Council staff on all operational aspects of procurement.
- 38.2 The Procurement Manual will support Council in the implementation of the legislative requirements and the requirements of this Policy.

ATTACHMENT A

LOCAL GOVERNMENT ACT 2020

PROCUREMENT PROVISIONS

Section 108

(1) A Council must prepare and adopt a Procurement Policy which specifies the principles, processes and procedures applying in respect of the purchase of goods and services by the Council, including for the carrying out of works.

(2) A Procurement Policy must seek to promote open and fair competition and provide value for money.

(3) A Procurement Policy must include the following:

- (a) the contract value above which the Council must invite a tender or seek an expression of interest.
- (b) a description of the criteria to be used by the Council to evaluate whether a proposed contract provides value for money.
- (c) a description of how the Council will seek collaboration with other Councils and public bodies in the procurement of goods or services.
- (d) the conditions under which the Council may purchase goods or services without inviting a public tender or expression of interest.
- (e) a description of the process to be undertaken in inviting a public tender or expression of interest; and
- (f) any other matters prescribed by the Regulations.

(4) The contract value to be included in a Procurement Policy in accordance with subsection (3)(a) must not exceed the value prescribed by the regulations for the purposes of this section.

(5) A Council must review its Procurement Policy at least once during each 4-year term of the Council.

(6) A Council must adopt the first Procurement Policy under this section within 6 months of the commencement of this section.

(7) Until a Council adopts a Procurement Policy under this section:

- (a) the procurement policy approved by the Council under section 186A of the *Local Government Act* 1989 which is in effect before the commencement of this section applies as if the procurement policy had been adopted under this section; and
- (b) the restrictions on the power of a Council to enter into a contract under sections 186 and 186A of the *Local Government Act* 1989 as in force before the commencement of this section continue to apply as if those sections had not been repealed.

Section 109

(1) A Council must comply with its Procurement Policy before entering into a contract for the purchase of goods or services or the carrying out of works.

(2) The Chief Executive Officer must ensure that any report to the Council that recommends entering into a procurement agreement includes information in relation to any opportunities for collaboration with other Councils or public bodies which may be available

15.5 Western Highway Action Committee - Strategic Advocacy Priorities for WWSC

Directorate: Infrastructure Development and Works

Report Author: Director Infrastructure Development and Works

Report Purpose: For Decision

Purpose

The purpose of this report is to present Council with the *Western Highway Action Committee (WHAC) Advocacy Strategy – Individual Council Priorities: West Wimmera Shire Council* for formal adoption. This advocacy document articulates Council's expectations and minimum standards for the Western Highway and other State-managed highways within the municipality, particularly with respect to growing heavy and larger vehicles road freight activity.

OFFICER RECOMMENDATION:

That Council:

- 1. Adopts the Western Highway Action Committee (WHAC) Advocacy Strategy – Individual Council Advocacy Priorities: West Wimmera Shire Council as its formal position.**
- 2. Authorises the Chief Executive Officer to use the strategy in all relevant advocacy efforts including within WHAC, and in representations to the State and Federal governments.**
- 3. Commits to reviewing and updating the strategy every three years, or as needed in response to major changes in freight volumes or highway conditions.**
- 4. Incorporate mobile black spots on emergency detour routes.**
- 5. More prompt maintenance on wire road barriers.**

Declaration of Interest

No officer declared an interest under the Local Government Act 2020 (LGA 2020) in the preparation of this report.

Background

The Western Highway and associated arterial routes play a critical role in supporting the movement of freight through West Wimmera Shire. Increasing reliance on larger and heavier vehicle combinations, including and up to Road Trains, particularly for agriculture and bulk goods has placed pressure on regional road infrastructure that was not originally designed for such vehicle types.

As part of its contribution to the *Western Highway Action Committee (WHAC)*, West Wimmera Shire Council has prepared a localised advocacy position that outlines minimum infrastructure standards, safety expectations, and growth thresholds. These will form the basis of Council's input into WHAC-wide efforts and direct advocacy to State and Federal agencies.

The *Individual Council Advocacy Priorities – WWSC* strategy:

- Establishes Council's position on minimum road standards for highways carrying road trains, including 3.5 m lanes, 1.5 m sealed shoulders, and overtaking lane frequency.
- Emphasises safety improvements such as wide centreline treatments, wire rope barriers where appropriate, and drivable culvert endwalls.
- Reinforces the importance of visibility, line marking, and intersection geometry suitable for high-productivity vehicles.
- Advocates for full duplication where AADT exceeds 8,000 vehicles per day.
- Recognises that highways are the responsibility of the State Government, but identifies these standards as the baseline desired by Council and its community.
- Supports the WHAC's broader regional goals, while retaining a tailored advocacy agenda for West Wimmera.

This strategy enables West Wimmera Shire Council to speak with a clear and coordinated voice within WHAC, and to pursue direct advocacy where local conditions require immediate attention.

Risk Management Implications

Risk identified:

People risk

Reputation risk

Safety risk

Legislative Implications

Not Applicable

Environmental Implications

Environmental Risk rating has been assessed as: Low

Financial and Budgetary Implications

The financial risk rating has been assessed as: Low

Policy Implications

This report is supported by the following West Wimmera Shire Council Policy/s:

Advocacy Policy

Communications Policy

Council Plan Implications

This report supports the following sections of the West Wimmera Shire Council Plan 2021 – 2025:

Goal 1 – Liveable & Healthy Community

1.2 Support a safe and inclusive community.

1.7 Improve the liveability of the shire to assist in growing our population into the future.

Goal 2 – Diverse and Prosperous Economy

2.3 Facilitate the development of the local economy and jobs.

Goal 4 – Good Governance

4.3 Advocate for our community on issues important to our future.

Goal 5 – Our Commitment Values

Accountability - We will be responsible, take ownership of our actions and are committed to good governance, excellence, transparency and advocating for our community.

Collaboration - We will actively and openly consult with you and work constructively with community organisations, agencies, the business community and other levels of government to our community's benefit.

Communication Implications

No Communication Implications

Equal Impact Assessment

No Equal Impact Assessment is required

Conclusion

In conclusion, the adoption of the *Western Highway Action Committee (WHAC) Advocacy Strategy – Individual Council Advocacy Priorities: West Wimmera Shire Council* reinforces Council's commitment to improving the safety, functionality, and economic performance of the highway network serving our region.

By clearly articulating the minimum standards expected for road train access and future freight growth, Council is strengthening its role as a proactive partner in regional infrastructure planning.

This strategy will not only support WHAC's collective advocacy but also ensure that the unique needs of West Wimmera's communities, industries, and road users are effectively represented at the state and national level.

Western Highway Action Committee

WESTERN HIGHWAY ACTION COMMITTEE (WHAC)

INDIVIDUAL COUNCIL ADVOCACY PRIORITIES

JUNE 2025

Council

West Wimmera Shire Council

Q1. Long Term Strategic Priorities for the Corridor

- 1. Staged Duplication of the Western Highway Between Nhill and the South Australian Border**
 - Including design planning, corridor protection, and identification of strategic freight pinch points.
- 2. Cross-Border Freight and Transport Consistency**
 - Standardise road conditions and signage that aligns with South Australia and National Highway standards to ensure seamless transport.
- 3. Forward Planning for Alternate Routes**
 - Identify, upgrade and maintain strategic detour routes to cater for unplanned highway closures due to accidents, fire or flood, ensuring freight and emergency services continuity.
- 4. Incorporation of Climate-Resilient Infrastructure**
 - Design and construction approaches that consider flooding, heat-related deformation, and long-term wear due to increasing freight loads. Strategic attention is also required for the region's underlying geotechnical conditions—particularly the expansive clays and reactive soils prevalent throughout the Wimmera. These subsoil characteristics significantly influence pavement performance and longevity and must be factored into asset planning through enhanced design standards, effective drainage strategies, and targeted stabilisation techniques to reduce lifecycle costs and improve network resilience.

Northern Grampians Shire Horsham Rural City Hindmarsh Shire West Wimmera Shire

Western Highway Action Committee

Q2. Short Term Priorities/Projects for the Corridor

1. **Provision of Sealed Shoulders with Sufficient Width**
 - Ensure all sections between the border and Nhill have sealed shoulders wide enough for a standard vehicle to stop safely off the traffic lane, particularly in isolated rural stretches.
2. **Provision of Clear Zones Appropriate to Speed Environment**
 - Establish and maintain clear roadside areas (free from fixed hazards) in accordance with Austroads guidelines, especially in 100–110 km/h speed environments.
3. **Provision of further Wide Centreline Treatments**
 - To reduce the risk of head-on collisions, especially on long, straight, high-speed segments.
4. **Wire Rope Barriers and Guardrail Installations**
 - Strategically placed in high-risk locations to prevent fatal run-off-road or crossover crashes.
5. **Additional Overtaking Lanes and Slow Vehicle Turnouts**
 - Reduce risky overtaking and improve traffic flow for both light and heavy vehicles.
6. **Modern, All-Weather Rest Areas**
 - Construction of additional sealed and well-equipped rest stops, spaced at consistent intervals, with B-double, PBS and other Class 2 Heavy vehicle access to address fatigue management. These should be serviced and reliably maintained to a high standard.
7. **Intersection Upgrades and Turning Lanes**
 - Provide safer turning and crossing opportunities for vehicles entering from local roads or properties.

Western Highway Action Committee

Q3. Safety – Any known or Perceived Safety Issues in the Corridor

1. **Absence of Safe Shoulder Areas**
 - Increases risk during breakdowns or evasive manoeuvres; unsealed verges become impassable in wet conditions.
2. **Non-compliant Clear Zones**
 - Fixed roadside objects (trees, poles, embankments) too close to the carriageway increase crash severity.
3. **Limited Overtaking Opportunities**
 - Creates risky driver behaviour and travel delays.
4. **Poor Pavement Rideability and Drainage**
 - Leads to driver fatigue, damage to freight, and loss of control incidents.
5. **Wildlife Hazards and Lack of Mitigation**
 - The region continues to experience a high incidence of animal strikes, posing serious safety risks to road users and contributing to asset damage and transport delays. Key contributing factors include extensive fencing gaps, lack of dedicated wildlife crossings, and limited driver warning systems. Addressing this issue requires a coordinated, whole-of-government response, including the development and implementation of integrated pest and wildlife management strategies aligned with actual animal population pressures. Strategic investment in both physical infrastructure and cross-agency planning is essential to reduce risks and support safer, more efficient transport outcomes.

Western Highway Action Committee

Q4. Items the State Government Should be Undertaking along the Corridor (maintenance, graffiti, rubbish, grass slashing etc)

The section of the Western Highway between the **South Australian border and Nhill** is experiencing significant deterioration that compromises safety, comfort, and the integrity of freight and passenger vehicles. Immediate maintenance is required to address the following issues:

1. Road Surface Roughness and Deformation

- Multiple segments suffer from excessive roughness, undulations, and rutting, particularly near Kaniva, Lillimur, and Lawloit. These surface conditions negatively impact vehicle handling, increase driver fatigue, and significantly reduce travel efficiency for heavy vehicles. In severe cases, they can cause drivers to lose control of their vehicles, particularly in wet conditions or during emergency manoeuvres — posing a serious safety risk to all road users.

2. Pavement Failures and Edge Breaks

- Long stretches of road have broken pavement edges, crumbling shoulders, and deep drop-offs, particularly where no sealed shoulder exists. These failures are dangerous during evasive actions or when vehicles pull over in emergencies.

3. Potholes and Surface Cracking

- Numerous potholes and longitudinal cracks have developed, especially after rain events. These defects accelerate structural deterioration and pose risks to freight operators, motorcyclists, and touring vehicles.

4. Poor Drainage and Water Pooling

- Inadequate drainage infrastructure leads to ponding on the road surface and shoulder, especially in low-lying areas. This undermines the pavement and increases the risk of aquaplaning and structural failures.

5. Line Marking, Signage and Roadside Delineation Deficiencies

- Faded line marking, worn reflectors, and damaged or missing signage reduce visibility, particularly at night and during fog or rain, contributing to crash risk.

6. Inadequate Shoulder Sealing and Verge Maintenance

- Unsealed shoulders quickly deteriorate in wet weather and contribute to shoulder drop-off and edge erosion, forcing vehicles back into live lanes during breakdowns.

Western Highway Action Committee

Q5. Any Other Items

Spot upgrades mask larger deficiencies: comprehensive resurfacing, shoulder and safety upgrades are needed across the full stretch.

Current one-off projects are positive but risk being too piecemeal to address long-term corridor safety and capacity goals.

1. Call for a Corridor-Wide Maintenance Program

- Deliver continuous resurfacing and strengthening (not just patch repairs) across the entire border-to-Nhill stretch, with particular focus on high freight volume zones.

2. Ensure Equity Between Sections

- Maintenance schedules and works must be coordinated so the entire corridor maintains consistent performance standards, avoiding “stop-start” improvements.

3. Monitor and Report on Safety and Freight Metrics

- Support the ongoing collection and transparent reporting of key data—such as freight volumes, crash rates, and travel delays—to build a robust evidence base for prioritising staged upgrades, safety improvements, and potential future duplication of the route.

4. Reinforce Duplication Planning

- Ensure maintenance spend does not detract from duplication funding commitments. Advocate for better coordination between short-term and long-term programs.

5. Engage Industry as Partners

- Establish structured engagement with freight operators, Grain Growers, and other industry stakeholders to ensure upgrades align with the operational realities of modern freight movements—including Performance-Based Standards (PBS) vehicles, B-doubles, and higher productivity combinations. Leverage tools such as CSIRO’s Transport Network Strategic Investment Tool (TraNSIT) to model freight flows, identify bottlenecks, and quantify the economic benefits of targeted infrastructure investments. Aligning planning with industry data and freight modelling will help ensure upgrades deliver measurable supply chain efficiencies.

Q6. The Highest Priority for Your Council

Complete safety and structural upgrade of the Western Highway between the South Australian Border and Nhill to meet national freight corridor standards.

This section of the Western Highway is a critically degraded asset that undermines the safety, efficiency, and perception of Victoria's transport network. It is:

- **Severely deteriorated**, with widespread pavement roughness, shoulder failures, and poor rideability that pose risks to all road users;
- **Visibly substandard** when compared to the adjacent South Australian section, drawing a stark contrast in infrastructure quality and highlighting a disparity in investment;
- **Essential for freight and regional connectivity**, carrying over 1,200 heavy vehicles per day—including grain, livestock, fuel, and general freight vital to local economies and supply chains;
- **Lacking basic safety infrastructure**, such as sealed shoulders, wide centrelines, clear zones, and overtaking opportunities, resulting in compromised travel times and increased crash risk.

As the **gateway to Victoria from South Australia**, this corridor shapes first impressions of the state's infrastructure standards. Its current condition does not reflect the strategic importance of the route, nor does it meet the expectations of industry, visitors, or local communities.

Key Inclusions in the Highest Priority Scope:

1. **Sealed Shoulders with Sufficient Width**
To allow safe vehicle breakdowns and recovery without obstructing traffic.
2. **Pavement Rehabilitation and Surface Renewal**
To eliminate road roughness, deformations, and rideability concerns.
3. **Wide Centreline Treatments and Safety Barriers**
To reduce head-on collision risk and improve corridor safety.
4. **Establishment of Appropriate Clear Zones**
Removal or protection of fixed roadside hazards in accordance with the speed environment.

Address correspondence to: **WHAC** Secretariat, PO Box 511 Horsham VIC 3402
Phone 03 5382 9724 **Email** kiar.rook@hrcc.vic.gov.au

Western Highway Action Committee

5. Forward Planning of Alternate Emergency Routes

Upgrade and signpost key alternate routes for detour use in the event of fire, flood, or crashes.

Why It's the Highest Priority:

Because this is the **gateway to Victoria for freight, emergency response, and tourism**, and the current condition:

- **Undermines road safety**, freight efficiency, and economic confidence;
- **Fails to meet community and industry expectations** for a national highway;
- **Requires immediate attention**, not only for road users' safety but for regional equity and resilience.

15.6 Proposal to Introduce a Medical Waste Assistance Scheme for Residents Undergoing Home Dialysis and Similar Treatments

Directorate: Infrastructure Development and Works

Report Author: Director Infrastructure Development and Works

Report Purpose: For Decision

Purpose

To seek Council's endorsement for the introduction of a Medical Waste Assistance Scheme to support residents who generate excess general waste as a result of home-based medical treatments, such as dialysis.

OFFICER RECOMMENDATION:

That Council:

- 1. Endorse the introduction of a Medical Waste Assistance Scheme as outlined in the attached policy and approve the proposed eligibility and application criteria.**
- 2. Adopt the attached Medical Waste Assistance Scheme Policy.**

Declaration of Interest

No officer declared an interest under the Local Government Act 2020 (LGA 2020) in the preparation of this report.

Background

An increasing number of residents are undergoing home-based treatments, particularly peritoneal and hemodialysis, due to clinical needs and the encouragement of home healthcare. These treatments generate significant volumes of non-hazardous waste, including dialysis solution bags, tubing, packaging, and gloves.

At present, there is no formal support provided by Council to help affected households manage the associated increase in general waste.

Other councils have introduced compassionate waste support schemes. These provide either:

- Additional general waste capacity, or
- Financial assistance with waste disposal fees.

It is proposed that Council implement a Medical Waste Assistance Scheme offering eligible residents one of the following options:

- A second 120L general waste bin at no additional cost; or
- A waiver of waste transfer station fees (up to a defined annual limit).

To qualify, residents must:

- Be undergoing home-based medical treatment resulting in excess household waste (e.g., dialysis, chemotherapy).
- Reside permanently within the Council area.
- Provide a doctor's certificate confirming the treatment and associated waste generation.

The application process would require residents to submit an application form along with supporting medical documentation.

- Applications are reviewed by Council's Waste Services Team.
- Approved support is granted for a fixed period of 12 months, with annual review and renewal as needed.

The estimated initial uptake would be 5–10 households.

- Cost of providing a second 120L bin, waste fee waivers, or waste charge exemptions: approximately \$150–\$300 per household annually.
- Total annual cost (initial phase): approximately \$1,500–\$3,000.
- Costs will be absorbed within the existing Waste Services budget, or supplemented via minor budget reallocation.

Risk Management Implications

Risk identified:

There are no obvious risks for Council to mitigate or eliminate in regard to the proposal considered for funding support in this report.

Legislative Implications

The report complies with the requirements of the:

Local Government Act 2020

Local Government Act 1989

Environmental Implications

Environmental Risk rating has been assessed as: Low

Financial and Budgetary Implications

The financial risk rating has been assessed as: Low

Policy Implications

This report is supported by the following West Wimmera Shire Council Policy/s:

Not applicable

Council Plan Implications

This report supports the following sections of the West Wimmera Shire Council Plan 2021 – 2025:

Goal 1 – Liveable & Healthy Community

1.4 Deliver quality services that support community life.

Communication Implications

This report and the associated attachment are administrative tasks that do not require public communication and the staff concerned will be formally advised of their new authorisation.

Equal Impact Assessment

No Equal Impact Assessment is required

Conclusion

The ability to access this additional service reduces financial and logistical burden for residents undergoing serious medical treatment. It also demonstrates Council's commitment to equity, public health support, and rural healthcare challenges and encourages appropriate and safe disposal of medical-related waste.

Procurement Policy

1. BACKGROUND

- 1.1 An increasing number of residents are undergoing home-based treatments, particularly peritoneal and hemodialysis, due to clinical needs and the encouragement of home healthcare. These treatments generate significant volumes of non-hazardous waste, including dialysis solution bags, tubing, packaging, and gloves.

At present, there is no formal support provided by this Council to help affected households manage the associated increase in general waste.

2. PURPOSE

- 2.1 The purpose of this policy is to provide equitable and compassionate waste management support to residents undergoing home-based medical treatment that generates excess non-hazardous waste. The policy outlines the criteria and process for accessing additional waste disposal support through either a second 120L general waste bin, transfer station fee waivers, or bin charge exemptions.

3. SCOPE

- 3.1 This policy applies to permanent residents within the West Wimmera Shire Council municipality who are receiving home-based treatment for medical conditions that result in elevated general waste output.

4. DEFINITIONS

- 4.1 In this Policy, the following terms have the meaning indicated:
- (a) Medical Waste (Non-Hazardous): Waste produced from home-based medical treatment that is not classified as clinical, hazardous, or infectious. This includes dialysis bags, tubing, packaging, gloves, and similar items.
 - (b) Eligible Resident: A person residing within the municipality who meets the medical and administrative criteria set out in this policy.
 - (c) Transfer Station Fee Waiver: The exemption of gate fees at Council-operated waste facilities for approved eligible residents, up to a capped annual value.

Procurement Policy	This Document is Uncontrolled when Printed		Responsible Officer: CEO
Version: 1.1	Issue Date: [##INSERT DATE##]	Next Review: October 2028	Page 3/6

[9731817:48455129_1]

Procurement Policy

5. POLICY STATEMENT

- 5.1 Council recognises the additional burden faced by residents undergoing medical treatment at home and is committed to supporting affected households through the following assistance options:
- (a) Provision of a second 120L general waste bin at no additional cost; or
 - (b) Waiver of waste transfer station fees, capped at \$400 per financial year; or
 - (c) Waiver of the annual waste charge for one additional bin, where private collection is arranged.

6. ELIGIBILITY CRITERIA

- 6.1 To be eligible for assistance under this policy, applicants must:
- (a) Be a permanent resident of the West Wimmera Shire Council municipality.
 - (b) Be undergoing home-based treatment for a recognised medical condition (e.g. peritoneal dialysis, chemotherapy) that results in increased general waste.
 - (c) Submit a valid application including:
 - (i) A medical certificate or letter from a treating medical practitioner stating:
 - i. The nature of the treatment
 - ii. That the treatment is home-based
 - iii. That the treatment produces a level of waste that cannot be managed by standard kerbside services.

7. APPLICATION AND ASSESSMENT PROCESS

- 7.1 Applications must be submitted via the approved Council form, with supporting documentation.
- 7.2 Applications will be reviewed by the Waste Services Team within 30 days of receipt.
- 7.3 Successful applicants will receive written confirmation of the support provided and its duration.
- 7.4 Assistance is valid for 12 months and may be renewed upon reapplication and updated medical confirmation.

Procurement Policy	This Document is Uncontrolled when Printed		Responsible Officer: CEO
Version: 1.1	Issue Date: [##INSERT DATE##]	Next Review: October 2028	Page 4/6

Procurement Policy

8. REVIEW AND REVOCATION

8.1 Council reserves the right to:

- (a) Review and adjust the policy as needed based on budgetary considerations or operational review.
- (b) Revoke assistance where it is found that the conditions of eligibility are no longer met or where false information has been provided.

9. RESPONSIBILITIES

9.1 Waste Services Team:

- (a) Responsible for application review, decision-making, record-keeping, and annual policy reporting.

9.2 Eligible Residents

- (a) Responsible for timely application, use of services in accordance with Council guideline, and reapplication if continued support is required.

10. RELATED DOCUMENTS

- 10.1 Waste Fees and Charges Schedule.
- 10.2 Medical Waste Assistance Application Form
- 10.3 Privacy Policy

11. POLICY REVIEW

- 11.1 This policy will be reviewed every three years or as required due to legislative or operational changes.
