COVIDSafe Plan

How to develop or review your COVIDSafe Plan

About this template

This COVIDSafe Plan template has been developed for businesses to maintain a COVIDSafe workplace and prepare for a suspected or confirmed case of COVID-19 in the workplace.

To comply with public health directions

- · All Victorian businesses with on-site operations must complete and document a COVIDSafe Plan.
- COVIDSafe Plans should be developed in consultation with workers and relevant Health and Safety Representatives (HSRs).
- In addition to completing a COVIDSafe Plan, you must meet your obligations under the Occupational Health and Safety Act 2004.
- You must modify your COVIDSafe Plan if you are directed to do so by an Authorised Officer or WorkSafe Inspector.

In addition to the general restrictions for all businesses, some industries are subject to additional obligations due to a higher transmission risk. For more information see: coronavirus.vic.gov.au/additional-industry-obligations.

Understand your responsibilities

This symbol indicates mandatory public health requirements. Your COVIDSafe Plan must detail how you will meet these requirements.

- All other guidance is strongly recommended to keep workplaces COVIDSafe.
- Some requirements and recommendations may not apply to your business and should be marked N/A (not applicable).
- · Businesses with multiple worksites must complete a plan for each worksite.

When to review your COVIDSafe Plan

You should review your plan regularly, especially when restrictions change. You do not have to submit your plan to the Victorian Government. You must modify your plan if directed to do so by an Authorised Officer or WorkSafe Inspector. Compliance with COVIDSafe Plans is monitored by virtual and physical inspections.

Share your COVIDSafe Plan with employees

Employees must comply with the COVIDSafe Plan. Where possible, discuss the plan with employees before it is finalised. Employers should share the completed plan with employees and occupational health and safety representatives.

For further guidance on preparing your COVIDSafe Plan or any other questions, visit <u>coronavirus.vic.gov.au</u> or call the Business Victoria Hotline on 13 22 15.
