

WEST WIMMERA SHIRE COUNCIL

# MEALS ON WHEELS AND COMMUNITY VOLUNTEERS NEEDED

Are you passionate about the Edenhope Community?  
Have you considered Volunteering within your Community?

The West Wimmera Shire Council are seeking community minded people to Volunteer for Meals on Wheels as well as other Community roles in Edenhope.

Meals on Wheels volunteers are on a roster system, currently each volunteer delivers meals on one day, every 7 weeks.

We are also exploring the idea of an Edenhope Community Taxi for senior members of the Community, and a visiting program when COVID permits.

Volunteering really works when it is flexible and enjoyable.

Volunteering is a great benefit to those who receive the assistance, but it is an even greater benefit to the volunteers who willingly give this assistance to others.

To register as a Volunteer for the West Wimmera Shire Council, a police check is required.

Council pay for volunteer police checks. If you are interested in finding out more information please contact Amanda Munn on 13 99 72, or complete a Volunteer Application online at
